Approval of modification
of revised Department of
Fish & Game ethics policy
(Executive Branch Ethics
Act AS 39.52)

Larri Irene Spengler
Assistant Attorney General
Natural Resources Section - Juneau

On May 17, 1991, we reviewed the June 1, 1991, version of the Department of Fish and Game ethics policy for conformity with the Executive Branch Ethics Act, AS 39.52, and approved that policy, as provided for in AS 39.52.920. 1991 Inf. Op. Att'y Gen. (May 17; 663-88-0174). 1/

On May 20, 1991, you asked for our review and approval of a change to the June 1, 1991, policy. It changes the end of the authorized divestiture period from July 1, 1992, to January 1, 1992. We see no problems with that change, and therefore approve the June 1, 1991, version of the Department of Fish and Game's policy, with that modification incorporated therein.
