PREAMBLE

Whereas, the State of Alaska (Employer) and the Confidential Employees Association (CEA) have negotiated a collective bargaining agreement (Agreement) pursuant to AS 23.40.070-260 relating to employees performing personnel/payroll functions and services as defined in 2 AAC 10.220(b)(1) and designated by the Alaska Labor Relations Agency as members of the Confidential Unit, and

Whereas, that Agreement sets forth the salaries, wages, hours, and other terms and conditions of employment of such employees, and

Whereas, the parties have reduced that Agreement to writing, and

Whereas, the purpose of the Employer and CEA in entering into that Agreement is to promote orderly and peaceful relations, and to achieve the highest level of employee performance consistent with safety, good health, and sustained effort in the best interest of the State of Alaska and the CEA membership.

Therefore, in consideration of their mutual promises, the parties set forth the following Agreement.

ARTICLE 1 Recognition

1.1 General Recognition

The Employer recognizes CEA as the exclusive representative of all permanent, nonpermanent, probationary, and provisional employees engaged in performing personnel/payroll functions and services as defined in 8 AAC 97.990(1), in the Confidential Bargaining Unit and as the sole collective bargaining agent for the purpose of acting for the employees in negotiating salaries, wages, hours, and other terms and conditions of employment.

"Employee" in this Agreement shall mean a person in State service who is paid a salary or wage and holds probationary, permanent, nonpermanent, or provisional status working in a position that has been designated by the Alaska Labor Relations Agency (ALRA) as a Confidential Unit position.

Both parties recognize that the Alaska Labor Relations Agency (ALRA) retains its authority to determine bargaining unit assignments. New positions and classifications created by the Employer shall be placed in the appropriate bargaining unit consistent with prior ALRA rulings. The CEA shall be notified of all new job classifications created, or revisions to existing classifications, within ten (10) working days of such action. The notification shall include a copy of the job class specifications. Notification shall be via e-mail and job class specifications shall be online through Workplace Alaska.

No filled position shall be removed from this bargaining unit without written notification to CEA. If CEA does not file a written petition with the ALRA challenging the proposed bargaining unit transfer within fifteen (15) working days of receipt of the notice to CEA, the

Employer is free to take the proposed action.

No filled position shall be changed to exempt or partially exempt status without at least thirty (30) calendar days' notice to CEA prior to submitting the request to the Personnel Board.

Concurrent with the notice, the Employer shall provide a written explanation of the transfer request to CEA.

The Employer shall provide concurrent written notice to CEA when an unfilled position is removed from the bargaining unit.

1.2 Negotiations

The Employer shall not negotiate or handle grievances with any employee organization other than CEA with reference to terms and conditions of employment of employees in the Confidential Unit. When individuals or organizations other than CEA request negotiations or handling of grievances, they shall be advised by the Employer to transmit their request to CEA.

1.3 Nonpermanent Employees

It is recognized that the need exists to hire nonpermanent employees in positions similar in duties and requirements to permanent positions in the bargaining unit; therefore, notwithstanding AS 39.25.195 the following provisions shall apply:

A. An individual hired as a nonpermanent covered by this agreement must perform the work of the assigned class and may not be paid less than the entry salary step of the range assigned to the class in which the nonpermanent is to work.

B. Short-term Nonpermanent Positions. Assignments of one hundred twenty (120) calendar days or less in any twelve (12) month period may be filled through the use of short-term nonpermanent appointments (casuals). The Employer may make such appointments without use of any eligible lists. Any individual hired as a short-term nonpermanent must be terminated following the one hundred twentieth (120th) day of employment. The Employer and the CEA agree that all determinations concerning the terms and conditions of casual employment shall be made independently by the Employer, except as provided for in this Article or as specifically provided for in subsequent articles.

C. Short-term nonpermanent appointments may be extended by the Director of the Division of Personnel and Labor Relations. If a short-term nonpermanent position is extended, it remains a short-term nonpermanent position. In the event that a short-term nonpermanent continues to work beyond one hundred twenty (120) days, the appointment shall, as of the one hundred and twenty-first (121st) day, be treated as a long-term nonpermanent appointment for specific benefit purposes only and these benefits (health, life insurance, personal leave and holidays) shall be awarded retroactive to the date of appointment. The individual has the option to either designate retroactive application of the health and life insurance benefit or make it effective on the first day of the month following the 121st day of employment.

D. Long-term Nonpermanent Positions. Assignments described as substitute, normal, program, and project nonpermanent in division of personnel standard operating procedure (SOP) no. 09-

VIII which are for periods of more than 90 days but less than twelve (12) months duration may be filled through the use of long-term nonpermanent appointments. Any individual hired pursuant to this provision shall meet the minimum qualifications as required of individuals seeking permanent employment in the class into which they are to be hired. The Employer agrees to hire individuals for these assignments through Workplace Alaska. In the event that an employee is worked for longer than twelve (12) months, except as provided in paragraph F of this section, the Employer shall review the reasonableness of establishing a permanent position. The long-term nonpermanent employee shall become the incumbent of the permanent position. All long-term nonpermanent employees shall be entitled to personal leave accrual, health insurance, and holidays. Employees in long-term nonpermanent positions shall have access to the complaint procedure outlined in Section 12 as the sole means for resolving disputes or controversies with respect to nonpermanent employment.

E. Time spent in nonpermanent status shall be credited toward probationary status as follows:

If the nonpermanent employee is converted to probationary status in the same classification, a successor classification, or a broad banded class performing similar duties with no break in employment, the employee shall be credited with one (1) month toward the probationary period for every consecutive month of nonpermanent employment to a maximum of one-half (1/2) the required probationary period in the job class.

F. It shall not be a violation of this agreement to employ Job Training Partnership Act (JTPA) or similar nonpermanent employees and such nonpermanent employees shall not be members of the bargaining unit. The Employer agrees to abide by the federal regulations governing such employment programs.

Any dispute arising between the parties under this paragraph concerning compliance with federal regulations shall not be subject to Article 12 of this agreement but may be referred by either party, after discussion, to the federal agency responsible for such program resolution.

Neither party waives its right to seek resolution of the matter, when appropriate, in court after exhaustion of administrative remedies as authorized in this paragraph.

G. It shall not be a violation of this agreement to employ trainees under the State's Temporary Assistance Program (welfare to work) and these employees shall not be members of the bargaining unit.

ARTICLE 2

Nondiscrimination

2.1 Noninterference

The Employer shall not interfere with, restrain or coerce employees because of membership or lawful activity in CEA, nor for the purpose of discouraging membership in CEA shall it discriminate in respect to hire, tenure of employment or any terms or conditions of employment.

2.2 Equal Employment Opportunity and Affirmative Action

The Employer and CEA mutually agree to cooperate in establishing and/or maintaining Equal Employment Opportunity and Affirmative Action Programs consistent with statutory

obligations applicable to employees to provide equal treatment with respect to rates of pay, benefits, and other terms and conditions of employment regardless of race, religion, color, national origin, age, sex, creed, sexual orientation, gender identity, disability, marital status, change in marital status, pregnancy, family/parental responsibility, political affiliation or belief.

2.3 CEA Obligations

Nothing in this Article shall prevent CEA from its obligation to protect the rights of an employee.

2.4 Nondiscrimination

The parties agree that they shall not discriminate in any employment matter against any employee with regard to race, religion, color, national origin, age, sex, creed, sexual orientation, gender identity, disability, marital status, change in marital status, pregnancy, family/parental responsibility, political affiliation or political belief.

Further, the parties agree to support appropriate action against any employee involved in sexual harassment.

Employees shall have the right to utilize the Employer's Internal Discrimination Complaint Procedure should a dispute involving the provisions of this section arise. This procedure shall be the sole method of resolution of disputes arising from this section.

2.5 Civility Clause

The State is committed to providing a workplace where all employees, regardless of their classification or pay status, are treated by co-workers, supervisors, and managers in a manner that maintains generally accepted standards of human dignity and courtesy. The State will notify the union and reporting employee(s) when the investigation has been concluded and will provide an investigative report to the union. Employees alleging they have not been treated accordingly may process a complaint up to the department head or designee.

ARTICLE 3 CEA Security

3.1 Membership

Employees covered under this Agreement shall not be required to become a member of CEA as a condition of employment, and there shall be no discrimination against an employee because of membership or non-membership in CEA. Employees may or may not join CEA at their discretion.

3.2 Check off and Deductions

Employees who desire to have dues or voluntary fees deducted from their pay and paid to CEA shall authorize such payroll deductions by executing check off on a form supplied by CEA. The President or designee of CEA shall notify the Director of the Division of Personnel and Labor Relations in writing of any change in the amount, frequency, or method of calculating authorized dues or voluntary fees deductions at least sixty (60) days prior to the effective date of the change. The Employer shall then make appropriate changes in payroll deductions without further notice, provided that any change does not conflict with the amount authorized by the employee. The Employer shall remit the authorized deductions to the Treasurer of CEA by the thirtieth (30th) of the month following issuance of the payroll warrant, together with a list of the names of the

employees from whose pay the deductions were made.

3.3 Payroll Files

CEA shall receive each pay period, without charge, a computer report via email which lists each bargaining unit member's name, employee identification number, position control number, range, step, classification title, status, hire date, department, merit anniversary date, mailing address, and termination date or last date in pay status, if applicable. The report shall also itemize and show any regular deductions made and forwarded to CEA. CEA specifically agrees that all information provided shall be used only for purposes related to the execution of the Agreement; that CEA shall be responsible for the protection and security of information provided; and that CEA shall assume all liability which may result from any improper disclosure or use by CEA of information provided.

3.4 Meetings

Where there is appropriate available meeting space in buildings owned or leased by the Employer, this space may be used for meetings by CEA, provided that a request is approved in advance pursuant to the rules of the department or agency concerned. Posting notification of CEA meetings shall be permitted in office areas and on the State's e-mail system.

3.5 Representatives

The CEA shall inform the Director of the Division of Personnel and Labor Relations in writing of the names of its seven (7) Executive Board members and up to one (1) Employee Representative per each thirty-five (35) bargaining unit positions.

With the prior approval of the first level supervisor outside the bargaining unit, these designees shall be allowed to handle complaints and grievances under this Agreement during working hours and shall suffer no loss in compensation for time spent handling complaints or grievances for up to nine (9) hours each month. Approval shall not be unreasonably denied. All time spent in such activities during work hours shall be recorded on the employee's timesheet. Time spent performing these activities shall not be counted in the calculation of hours worked. However, time compensated pursuant to this section shall be counted for the purpose of fulfilling any applicable guaranteed workweek.

3.6 Super Seniority

For the purpose of layoff or transfer of positions in the bargaining unit, the seven (7) CEA Executive Board members, Employee Representatives, and CEA negotiators shall head the seniority list of State service from the date of notice to the Employer of their designated status.

3.7 E-mail Communications

The Employer recognizes the Association's right to communicate with its members through the internet. Bargaining unit members may use their State computers to communicate with each other and/or the Association, provided such use does not interfere with official State use, or the performance of the bargaining unit member's job duties.

3.8 New Bargaining Unit Member Orientation

The Employer will allow an Executive Board member or Employee Representative to provide a brief orientation, not to exceed fifteen minutes, during normal business hours to new members.

This orientation must take place at the new member's duty station. This orientation will be considered time worked for payroll purposes. Supervisors shall, whenever possible, notify the President of CEA via email prior to a bargaining unit member's initial appointment in a bargaining unit position. Such notification shall include the new bargaining unit member's State email address, telephone number, physical duty station address, and position control number.

ARTICLE 4 Management Rights

It is recognized that the Employer retains the right, except as otherwise provided in this Agreement, to manage the affairs of the State and to direct its workforce. Such functions of the Employer include, but are not limited to:

1. recruit, examine, select, promote, transfer, and train employees of its choosing, and to determine the methods of such actions;
2. develop and modify class specifications as well as assignment of the salary range for each classification, and allocate positions to those classifications;
3. assign and direct the work; determine the methods, materials, and tools to accomplish the work; designate duty stations and assign employees to those duty stations;
4. reduce the work force due to lack of work, funding, or other cause consistent with efficient management;

6. establish reasonable work rules; assign the hours of work and assign employees to shifts of its designation.

All of the functions, rights, powers, and authority of the Employer not specifically abridged, delegated, or modified by this Agreement are recognized by CEA as being retained by the Employer.

ARTICLE 5 Parking

Every effort shall be made to provide reserved parking spaces for employees who experience disabilities with respect to mobility. If spaces are available, they shall be assigned as near as practical within close proximity to the employee's working area. In those areas where the parking spaces are assigned specifically to the bargaining unit employees with disabilities, the number and location of bargaining unit spaces shall not be modified or changed before consulting with CEA.

The Employer shall make available parking passes to State parking facilities for employees covered by this Agreement who are required to perform work outside their regular work areas. When an employee is required to work away from the normal work site, the Employer may provide a State-owned vehicle if available, upon the supervisor's or designee's approval.

Where head bolt heater outlets are provided by the Employer, all employees shall be permitted to use such outlets at no cost and under the conditions as designated by the Employer, consistent with specific Environmental Protection Agency (EPA) or local jurisdiction standards, where existing.

The State shall provide not less than ninety (90) days' notice of any change in the number of parking spaces available to employees and visitors. In the event the State becomes aware of a change that does not allow for ninety (90) days' notice, the State shall notify CEA within five (5) days of the time the State becomes aware of the change. The parties shall meet and confer regarding any significant change in the number and location of parking spaces provided for employees. The State shall make a good faith effort to make parking available to employees. The State shall make a good faith effort to make designated parking facilities available to employees, wherever practicable.

Except in emergencies, an employee's shift shall not be changed without at least five (5) working days' notice prior to the effective date of the change.

7.14 Flexible Time Plan

The parties recognize the normal workweek is 40 hours and that it may be necessary for overtime-exempt employees to work extraordinary hours to meet the mission of the agency. An FLSA exempt employee who has been authorized to work additional hours may submit a written request to the division director for approval of a Flexible Time Plan to offset excessive hours of work with a reduction of normal work hours at a later time.

An approved Flexible Time Plan is subject to the following conditions:

1. An employee who works in excess of 45 hours in a workweek shall be eligible for flextime credits retroactive to 42 hours of work in the week.
2. Flextime credits shall accrue in one-quarter (0.25) hour increments.

10. Disputes regarding the accrual or use of flextime credits are subject to the complaint procedures of Section 12.04.A. This shall be the sole and exclusive method of resolving such disputes.

Flextime credits shall be tracked and credited manually until the State implements an automated tracking system.

7.15 Incidental Flextime Arrangements

From time to time, and with the prior approval of the supervisor, an (overtime ineligible) employee may be absent for up to 4 hours in a day for the following, without submitting a leave slip:

Incidental Flextime taken for this purpose does not take the place of job-specific and State-required or -offered training and shall not be used in lieu of any leave approved under the provision of Article 19.

Implementation of this section includes the expectation that there will be no reduction in the total

productive hours. This section may not be used if the employee has flextime credits under the provisions of Article 7. This section is not subject to the grievance procedure. Approval of time off requested under this article shall not be unreasonably denied.

10 – 15	9:14
15 +	11:05

Personal leave accruals for partial pay-periods of service shall be on a prorated basis. Employees who work less than full-time shall accrue personal leave on a prorated basis according to the above schedule and hours in pay status. Leave accruals shall be posted on a biweekly pay period, in accordance with the payday schedule in Article 7, and shall be available for use when posted. In determining years of service for the purpose of computing personal leave, all leave-eligible service with the Territory and State of Alaska is included.

Employees transferring into the bargaining unit who have accrued annual leave shall have the hours of annual leave transferred to the employee's personal leave account.

8.2 Changes of Accrual Rate

All accrual rate changes shall become effective the first day of the pay period following the pay period in which the employee completes the service requirement and becomes eligible for the higher accrual rate.

8.3 Medical Leave Bank and Transfer of Accrued Sick Leave

- A.** An employee who transfers into the Confidential Unit who has accrued sick leave shall have fifty percent (50%) of that sick leave transferred to the employee's personal leave account and fifty percent (50%) of that sick leave transferred to the CEA medical leave bank. Banked medical leave may only be taken in accord with this Article.
- B.** Medical Leave Bank. Such leave as is provided in Paragraph A, above, shall be available for use in the event of a medical disability which prevents the employee from working or illness or injury to a member of the employee's immediate family. The supervisor may require a physician's certificate. If the employee has no Medical Leave Bank leave balance, or if that balance is exhausted during the period of disability/absence, leave shall be charged to the employee's Personal Leave accrual in accordance with Section 8.04 - Utilization & Disposal, of this article, below.
- C.** Except as otherwise provided in 8.06 (D), upon separation from State service, the hours in an employee's medical leave bank shall be transferred to the CEA Catastrophic Medical Leave Bank. The Labor-Management Committee established at Article 11 shall develop the procedures regarding use of this leave bank.

8.4 Utilization and Disposal

Personal leave shall be used for any and all purposes for which sick and/or annual leave have heretofore been used. This includes medical or dental appointments, and illness or injury of the employee or the employee's immediate family.

Personal leave requests require the prior approval of the supervisor except in the case of illness or injury to the employee. Employee requests shall be given full consideration and, to the extent practicable, approved. However, the parties agree that the final decision with regard to approval or disapproval of any request shall be based on the supervisor's evaluation of the needs of the job. Management shall not cancel prior approved leave without a valid business reason to do so. In an absence due to illness or injury, the supervisor may require a physician's certificate. Employees shall not be required to provide a physician's certificate for illnesses of less than three (3) days unless improper use is suspected.

Personal leave accrued but not used shall accumulate until separation; however, at least 80 hours of personal leave must be used each calendar year except that employees exempted from 8.05 of this Article must use 120 hours of each full year. If the employee does not take the required hours of personal leave during a twelve (12) month period, the difference between the required hours and the amount of personal leave taken will be cashed out at the employee's hourly rate of pay unless the department or agency head certifies in writing that the employee was denied the opportunity to take the required hours of personal leave during the twelve (12) month period. It is understood that, should the employee fail to schedule the required hours of leave, the Employer may direct that the employee take the personal leave at any time to satisfy the mandatory usage requirement.

Flextime credits earned in accordance with Article 7 may not be used until the employee has satisfied the mandatory leave usage requirement.

Up to 40 hours of personal leave cashed-in under Article 8 of this Article will be applied to the employee's mandatory leave usage requirement for those employees with a 80 hour mandatory leave usage requirement.

Up to 80 hours of personal leave cashed-in will be applied to the employee's mandatory leave usage requirement for those employees with a 120 hour mandatory leave usage requirement.

8.5 Maximum Accumulation of Leave

Personal leave accrued but not used shall accumulate to a maximum of 825 hours on December 31 of any calendar year. A department head may permit an employee to carry over more than 825 hours of accrued personal leave if the employee was unable to reduce his/her accrued hours because the member was assigned work of a priority or critical nature over a period of time.

By June 1 of each calendar year, those employees whose personal leave balances exceeds, or could exceed by December 31, the personal leave accumulation maximum of 825 hours must submit to their supervisor for approval a plan to use personal leave to bring their balance below the accumulation maximum. If the employee fails to submit a plan, or adhere to an approved plan, the employee's division director will order the employee to take sufficient personal leave to reduce the employee's balance or potential balance on December 31 below the accumulation maximum.

Employees who have a personal leave balance that exceeds 400 hours on December 16, 2013, shall be exempt from this provision until such time as his/her personal leave balance equals 400 hours or less on December 31 of any calendar year.

8.7 Bereavement Leave

If a death occurs among members of an employee's family, the employee shall be excused from work and allowed to use up to 80 hours of leave of any available type, including donated leave.

Additional days may be authorized under extenuating circumstances. Family, for the purpose of bereavement leave, shall include spouse, partner, child, parent, sibling, parent-in-law, grandparents, grandchildren, stepchildren, foster children, and/or any other person with whom the employee has had an equivalent association.

8.8 Leave Cash-In

Employees having in excess of 40 hours of personal leave shall, upon request to the Employer, receive payment for accrued but unused personal leave at the annualized hourly rate of pay. Under no circumstances may an employee receive a leave cash-in which would reduce the employee's leave balance below 40 hours.

Payment shall be made no later than one (1) pay period following the pay period in which the request is received.

8.9 CEA Leave Bank

Upon written authorization, new employees in the bargaining unit who elect to become a CEA member shall have eight (8 hours) of personal leave assessed and transferred to the CEA Leave Bank as soon as a sufficient amount is posted to individual leave accounts. Such reduction shall not be applied toward the mandatory leave usage as required in Section 4 of this Article.

The purpose of the Bank is to provide CEA with a reserve of personal leave to provide for employee training, Association business meetings, contract negotiations and other purposes authorized by the CEA President. Voluntary contributions in increments of two (2) hours may be made by any employee.

Each leave assessment and contribution shall be converted to its dollar value at the rate of pay of the employee from whom the leave was received. Those dollars (with benefit costs) shall be placed in the CEA Cash Business Leave Bank. For each hour of business leave used in accordance with other provisions of this section, dollars shall be withdrawn from the bank equal to the hourly rate (with benefits) of the employee utilizing the leave.

Upon notice by the President of CEA to the Employer, each employee who has authorized a deduction shall be assessed personal leave in equal amounts.

All personal leave transferred to the Bank is final and not recoverable for recredit to an employee's individual leave account.

Withdrawal requests from the CEA Leave Bank shall be made by the President of CEA addressed to the Director of the Division of Personnel and Labor Relations. The President and officers of CEA assume complete responsibility for:

1. evaluating requests for use of the Leave Bank;
2. approving withdrawal requests in given amounts.

Withdrawal from the Bank shall be made only when leave has been approved on the same basis as any personal leave request. Such approval shall not be unreasonably denied.

8.10 Donations of Personal Leave

Employees shall be allowed to donate personal leave to and receive donations of annual or personal leave from employees in this unit, those represented by a different union, or non-covered employees for medical purposes or bereavement leave subject to the following conditions:

1. Each employee wishing to donate personal leave shall submit a leave request showing the amount of personal leave they wish to donate in increments of not less than two (2) hours.
2. Each request shall state, "Leave donation to (employee name), (Employee identification number)."
3. Until a new Time and Attendance system is implemented, leave slips will be the standard form for the donation of personal leave.
4. All leave requests for a particular recipient shall be delivered to the Payroll Services Section for processing each pay period as needed or will be submitted through the online time and attendance system, when implemented. Once an employee returns to work, if after three pay periods in which the donee does not require the use of donated leave, the leave donated and not used by the donee shall be returned to the donor.
5. The Employer shall, for purposes of computation, convert the donated leave hours to dollars at the hourly rate of the donor. The dollars shall then be converted to hours of leave at the hourly rate of the recipient, and the resulting number of hours shall be added to the recipient's donated leave account for use as medical leave. The total amount of donated leave credited to the employee's donated leave account shall not exceed 320 hours during the life of the current agreement. Leave donations shall be credited to the recipient's donated leave account during the pay period in which received by the Division of Finance. Donated leave may not be used until all accrued personal and medical leave has been exhausted.
6. Once the Division of Finance has completed the above process, the State shall not be obligated for further processing or liabilities resulting there from. Once the donation has been transferred to the recipient, the donation cannot be withdrawn, modified or otherwise returned to the donor's leave account. Leave donations shall not reduce the mandatory leave usage requirements established in this Article. Upon the death of an employee, any unused donated leave shall be paid in cash to the employee's beneficiaries at the employee's annualized hourly rate.
7. Except as otherwise provided in this Article, upon separation from State service, the hours remaining in an employee's donated leave bank shall be converted to the CEA Catastrophic
8. Medical Leave Bank. The Labor Management Committee established in Article 11 shall develop the procedures regarding use of the Catastrophic Medical Leave Bank.

8.11 Court Leave

An employee who is called to serve as a juror or subpoenaed as a witness shall be entitled to court leave. Employees shall turn over to their employing departments all moneys received from the court as compensation for service and in turn shall be paid their current salary while on court leave.

8.12 Military Leave

An employee who is a member of a reserve or auxiliary component of the United States Armed Forces is entitled to a leave of absence without loss of pay, time or performance rating without regard to other compensation earned during that period on all days during which the employee is ordered to training duty, as distinguished from active duty, with troops or at field exercises, or for instruction, or when under direct military control in the performance of a search and rescue mission. The leave of absence may not exceed sixteen and one-half (16.5) working days in any leave year.

8.13 Family Leave

Qualified employees may be granted family leave. When taking family leave, a qualified employee must exhaust all accrued personal and medical leave as provided in Section 8.03, and donated leave (in that order) before entering leave without pay except that an employee may elect to retain up to 40 hours of personal leave in his or her leave account for use upon return from leave taken under this provision. When taking leave due to pregnancy, childbirth, foster care placement or adoption, the leave entitlement must be taken consecutively.

The period for utilizing family leave entitlements shall commence with the first day of family leave. An employee may be required to recertify the qualifying reason for remaining on family leave. An employee may be required to provide a fit-for-duty statement prior to returning to work.

8.14 Other Approved Absences

Upon application and approval of the appointing authority, an employee may be granted leave of absence with or without pay. Such leave shall not normally exceed twelve (12) continuous months.

Continuous service credit shall not accrue during the period of leave without pay. Approval of said leave of absence shall not be unreasonably withheld.

8.15 Leave Anniversary Date

The leave anniversary date must be advanced one (1) month later for each twenty-three (23) days of leave without pay in a leave year.

Any safety equipment required by AS18.60 to make a job safe shall be supplied by the Employer.

The Employer shall abide by AS18.60 standards and all applicable government health and safety standards and regulations.

- C.** The State shall furnish to each of its employees covered under this agreement a workplace which is free from recognized hazards that cause or are likely to cause death, serious physical harm, or jeopardize the health, safety, and well-being of the employee. Each workplace shall be free from obstructions and be able to be cleansed in accordance with ADA, OSHA, CDC, and public health mandates. When so ordered by these agencies or the State Chief Medical Officer, the Employer shall provide personal protective equipment (PPE) in accordance with this article.

10.2 Labor Management Committee

In order to promote health and safety amongst CEA employees, CEA and the State agree to utilize a Labor Management Committee, to act as a Safety Committee, as outlined in Article 11 to meet as necessary and by mutual agreement to discuss matters of mutual concern including, but not limited to, epidemics, pandemics, workplace safety and hazards, and other qualifying events that jeopardize the health and well-being of employees.

ARTICLE 11 Labor-Management Committee

11.1 Purpose

In order to facilitate communication between the parties and to promote cooperative employer and employee relations the Employer and CEA agree to form a joint general purpose Labor-Management Committee as well as additional Labor-Management Committees which shall meet as necessary to discuss matters of mutual concern.

11.2 Committee Composition

Labor-Management Committees may be composed of up to three (3) members appointed by the President of CEA and up to three (3) members appointed by the Commissioner of the Department of Administration and/or the Director of the Division of Personnel and Labor Relations. 11.3 Meetings and Agenda

Labor-Management Committees may meet at the request of either party. Requests to meet shall be answered based on the agreement made in Article 11.8. Until an agreement is made, both parties agree in good faith to respond to requests to meet within five (5) business days unless otherwise specified.

Labor-Management Committee meeting agendas shall be prepared in advance. The parties shall

attempt to compile a mutually agreeable agenda. However, if this is not possible, each party may propose up to three items for inclusion on the agenda. Agenda items will be deleted at the mutual agreement of the committee members.

Labor-Management meetings shall be conducted in good faith. The parties shall alternate responsibility for chairing the meetings; the chair shall be responsible for preparing and distributing meeting minutes.

11.4 Time Spent in Meetings

Approved time spent in meetings or preparing for meetings will neither be charged to leave credits nor considered as overtime for time worked. Management will make every effort to reschedule shift assignments or days off so that meetings will fall during working hours of Association representatives.

11.5 Good Faith Conduct

Labor-Management Committee meetings will be conducted in good faith. These committees will have no power to contravene any provisions of this Agreement, nor to enter into any agreements binding the parties, or resolve issues or disputes surrounding the implementation or interpretation of the Agreement. 11.6 Committee Evaluation and Training

Prior to the conclusion of a collective bargaining agreement, the parties shall discuss the Labor-Management Committee concept and shall determine whether to continue, modify, or terminate it.

A. Labor-Management training offered by the Employer shall be provided at no cost to all CEA representatives assigned to Labor-Management Committees.

11.7 Performance Evaluations

The parties agree that they shall continue the Performance Evaluation Labor Management Committee, which may also include participants from other labor unions representing state employees. This ongoing committee shall study, analyze and make recommendations regarding the Employer's process, instrument and procedures for employee performance evaluations. Upon completion of the committee's final report, CEA and the Employer shall meet and determine how the report shall apply to CEA bargaining unit members and how applicable portions of the report may be expressed in this agreement. Requests to meet shall be made in accordance with Article 11.3.

D. Any violation of this Section by CEA or the Employer is not subject to the grievance-arbitration procedure and either party may pursue such legal remedies as provided by law.

E. Disciplinary action taken against an employee for violation of this Section is subject to the grievance-arbitration procedure.

12.2 Grievances

A. Grievance Procedure

It is desired that differences between employees and supervisors be resolved as quickly as possible. To achieve this goal, employees are encouraged to discuss such differences with their supervisor as soon as possible after they are aware of the event leading to the difference and prior to filing a grievance. Supervisors are similarly encouraged to be responsive to such discussions.

Adjustments may not conflict with this Agreement or applicable laws, regulations, or policies and shall not be precedential. Such discussion is at the employee's option and the time limits for filing a grievance shall be adhered to. If the supervisor has not responded, or the employee is not satisfied with the supervisor's response, the employee must file a written grievance at Step One within the time frames set forth below.

A grievance shall be defined as any controversy or dispute involving the application or interpretation of the terms of this Agreement arising between the CEA or an employee or employees and the Employer.

Grievances shall be processed on forms provided by the Employer. The grievance shall state the facts giving rise to the grievance, the specific provision(s) of the Agreement that are alleged to have been violated, and the remedy requested. If the Employer fails to render a decision within the allotted time, the grievance may be advanced to the next step by the CEA. Time frames may be extended by mutual agreement of the parties.

Step One: An employee shall individually, or with a CEA representative, present the written grievance to the Division Director of the employing division within twenty (20) working days of the disputed action or the date the employee is made aware of the action, whichever is later. The supervisor shall respond in writing within ten (10) working days of receipt. The written grievance shall state specifically which Article(s) and Section(s) the Employer may have violated and the manner in which the violation is alleged to have occurred.

Settlements reached at Step One shall be binding only if such settlements are consistent with the provisions of this Agreement, the policies and regulations of the Employer, and the authority of the respondent. Grievances settled at Step One which are found to be inconsistent with the provisions of this Agreement, the policies and regulations of the Employer, and/or the authority of the respondent may be reopened by the Employer through written notice to CEA within ten (10) working days after receipt of the settlement. CEA may advance such a grievance directly to Step Two.

Step Two: If the grievance is unresolved at the prior Step, an appeal may be submitted by the CEA representative in writing to the Commissioner of the Department of Administration within ten (10) working days after the prior Step response is due or received. Within five (5) working days of receipt at Step Two, the grievance shall be the subject of a conference between the CEA representative and a representative of the Commissioner of the Department of Administration. If the representatives are unable to resolve the grievance, the Commissioner or designee shall respond in writing within ten (10) working days after the conference.

B. Disciplinary Grievances

All grievances resulting from dismissal, demotion for cause, or a single suspension in excess of thirty (30) days of a permanent employee shall be entered into the procedure at Step Two. Such grievances shall be brought to the attention of the Employer within ten (10) working days of the action or knowledge thereof.

C. Class Action Grievances

A class action grievance is a controversy or dispute which affects two (2) or more employees in the same manner. Class action grievances shall be submitted by the CEA representative to the first (1st) level supervisor having jurisdiction over all grievants. Class Action grievances must identify grievants by the class of affected employees with sufficient specificity that the class will be readily identifiable.

12.3 Arbitration

A. Board of Arbitration

Within thirty (30) days of the signing of this Agreement, the Employer and the CEA shall jointly request from the US. Federal Mediation and Conciliation Service (USFMCS) the names of 21 qualified arbitrators. From the list of 21 arbitrators the Employer and the CEA shall alternately strike from the list one name at a time until 11 names remain on the list. This list of 11 arbitrators shall be used by the parties to select individual arbitrators for hearings. This does not preclude the parties from compiling a mutually agreeable list without the assistance of USFMCS.

For each hearing, the parties shall select the arbitrator by alternately striking one (1) name at a time until only one (1) name remains on the list. The parties shall alternate on striking the first (1st)

name. The name of the arbitrator remaining on the list shall be accepted by the parties as the arbitrator, and arbitration shall commence on a mutually acceptable date.

B. Selection of the Arbitrator

If a grievance is not resolved at Step Two the CEA may request arbitration. This request shall be submitted to the Director of the Division of Personnel and Labor Relations or designee in writing within twenty (20) working days after the response from Step Two is due or received. The CEA shall state specifically which Article(s) and Section(s) the Employer may have violated and the manner in which the violation is alleged to have occurred. The parties shall meet within twenty (20) working days after receipt of the request for arbitration to strike names and to make arrangements to contact the arbitrator about scheduling the hearing. The CEA shall contact the Employer to strike names.

C. Authority of the Arbitrator.

Questions of procedural arbitrability shall be decided by the arbitrator. Once a determination is made that the matter is procedurally arbitrable or if such preliminary determination cannot reasonably be made, the arbitrator shall then proceed to hear the merits of the dispute.

The parties agree that the decision or award of the arbitrator shall be final and binding. The arbitrator shall have no authority to rule contrary to, amend, add to, subtract from or eliminate any of the terms of this Agreement. The arbitrator shall have no power to modify a penalty or other management action except by finding a contractual violation.

Expenses incident to the services of the arbitrator shall be borne as designated by the arbitrator. Normally, the losing party shall be expected to pay the arbitrator's expenses. If neither party can be considered the losing party, the arbitrator shall apportion expenses using the arbitration decision as a guide.

D. Removal of Documents

Documents implementing penalties, which are later reversed, shall be removed from the employee's personnel file. This does not preclude the maintenance of such records in the files of Labor Relations, provided such documents shall not be forwarded to potential employers within or outside State government.

E. Arbitration Witnesses

A Confidential Unit member who is required to appear as a witness for CEA for an arbitration proceeding shall be granted time off subject to the CEA Business Leave Bank.

12.4 Complaints

A. Complaint Procedure

A complaint shall be defined as (1) any controversy, dispute or disagreement arising between the CEA or an employee or employees and the Employer which does not involve the application or interpretation of the terms of this Agreement, or (2) the appeal of the discharge, demotion or suspension of a probationary employee not holding permanent status in another classification. Such matters are not included in the definition of a grievance as set forth in Section 2. The following shall be the sole and exclusive method of resolving complaints.

Complaints shall be processed on forms provided by the Employer. The complaint shall state the facts from which it arises, the rules, procedures or conditions which should be considered and the remedy requested. If the Employer fails to render a decision within the allotted time, the complaint may be advanced to the next step by the CEA. Time frames may be extended by mutual agreement of the parties. Adjustments to complaints shall not conflict with this Agreement or applicable laws, regulations or written policies.

Step One: An employee may individually, or with a CEA representative, present the written complaint to the first level supervisor outside the bargaining unit within twenty (20) working days of the action or inaction or the date the employee is made aware of the action or inaction, whichever is later. The supervisor shall respond in writing within ten (10) working days of presentation.

Step Two: If the complaint is unresolved at Step One, an appeal may be submitted by the CEA representative in writing to the Commissioner of the Department of Administration within ten (10) working days after the Step One response is due or received. Upon request of the CEA, a conference between the CEA representative and a representative of the Commissioner of the Department of Administration shall be convened to discuss the complaint. If the representatives are unable to resolve the complaint, the Commissioner or designee shall respond in writing within twenty (20) working days after receipt of the appeal or the date of the conference, whichever is later. The decision of the Commissioner of the Department of Administration is final and shall settle the matter.

B. Group Complaints

A group complaint is a controversy, dispute or disagreement which affects two (2) or more employees in the same manner. Group complaints shall be submitted by the CEA representative to the first (1st) level supervisor outside the bargaining unit having jurisdiction over all complainants and may be appealed upward from that level until final settlement by the Commissioner of the Department of Administration. Time limits and procedures shall be as for individual complaints set out above. Group complaints must identify complainants by name, job class and department to the extent possible.

C. Conversion to Grievance

If in the opinion of the CEA representative a matter initially filed as a complaint does involve the application or interpretation of this Agreement, the complaint may be converted to a grievance at or before Step Two. The grievance must be filed on a grievance form with copies of the complaint and all responses attached. Nothing in this section shall limit the Employer's right to raise questions of arbitrability.

12.5 Review of Individual Position

An employee may obtain a review of the classification of his/her position in the following manner:

The Union shall submit a request for review to the Director of the Division of Personnel and Labor Relations or designee. The request for review shall include a copy of the full position description from the On-Line Position Description system and the union will provide an analysis supporting their request. The employee shall complete a full position description describing the duties, level of authorities and responsibilities performed.

The Division of Personnel and Labor Relations shall review the employee’s duty description with the employee’s supervisor as part of a position analysis. A final position description shall be completed to reflect the actual duties assigned and performed. The completed PD shall be reviewed in conjunction with existing class specifications for proper classification. Not later than sixty (60) calendar days following receipt of the request, the Director of Personnel and Labor Relations or designee shall render a decision and notify both the supervisor and the Union.

- A.** Reallocations shall be made effective in accord with 2 AAC 07.035. If the Director or designee determines that the position should be upgraded but funds are not available the employing department shall restrict the duties to be consistent with the classification at the funded level.
- B.** No more than one (1) request may be processed for a position under this section in any twelve (12) month period unless substantial changes in duties have occurred.
- C.** The foregoing procedure shall be the sole and exclusive method of resolving classification disputes, notwithstanding the other provisions of Article 12.

ARTICLE 13

Wages

13.1 Wages

- A.** Effective July 1, 2022, the wage scales in effect on June 30, 2022 will increase by three percent (3%).
- B.** Effective July 1, 2023, the wage scales in effect on June 30, 2023, shall be increased by two and a half percent (2.5%).
- C.** Effective July 1, 2024, the wage scales in effect on June 30, 2024, shall be increased by five percent (5%).

Wage tables shall be maintained for public view on the Division of Finance web page, with duty stations identified in association with the appropriate tables.

- D.** The minimum rate of pay in the assigned salary range for a job classification shall normally be paid upon initial appointment or hire. Any exception shall require the written approval of the Director of the Division of Personnel and Labor Relations prior to an employee beginning employment in the class.
- E.** Pay increments, computed at the rate of 3.25% of the employee’s base salary shall be provided after an employee has remained in the final step within a given range for two years, and every two years thereafter, if, at the time the employee becomes eligible for the increment, the employee’s current annual rating by the employee’s supervisor is designated as “acceptable” or better service.

Employees on rate overrides due to the reduction of pay increments from 3.75% to 3.25% will continue to be on rate overrides on the same basis as they had in the previous agreement regardless of the 40 hour work week.

13.2 Geographic Differentials

The parties agree that members of this bargaining unit shall receive the geographic differentials as provided for in Appendix A.

13.3 Shift Differentials

- A.** All employees who work a scheduled "swing" shift beginning between 12:00 noon and 7:59 p.m. are entitled to a three and three-quarters percent (3.75%) increase over their hourly rate as established by this Article for all hours worked in each such shift.

- B.** All employees who work a scheduled "graveyard" shift beginning between 8:00 p.m. and 5:59 a.m. are entitled to a seven and half percent (7.5) increase over their hourly rate as established by this Article for all hours worked in each such shift.

13.4 Standby Pay

Employees may be required to be available for standby duty. In such instances, the employee's name shall be placed on a standby roster for the designated period of time of such requirement. Assignment to a standby roster shall be equitably offered among employees normally required to perform the anticipated duties. For the purposes of this article, a Standby Roster is a list of employees available for immediate recall who are either to remain at home or periodically report their whereabouts.

Two (2) hours of pay at the employee's hourly rate shall be paid to an employee who is assigned to a standby roster for up to a twenty-four (24) hour period. When assigned to standby on their RDO the employee shall receive an amount equal to three (3) hours pay at the hourly rate. If employees are assigned to the standby roster on a non-floating holiday, they shall receive an amount equal to four (4) hours pay at the employee's hourly rate.

At least twenty-four (24) hours prior to the beginning of the standby period, an employee must be notified by means of published schedule, or by telephone, as to when the assigned periods of standby begin and end.

Standby pay is for the purpose of compensating the employee for being available for work. Standby pay is not intended as compensation for any work performed by the employee and shall be in addition to any applicable earnings for hours.

13.5 Reallocation of Position

If an employee is reclassified to a higher salary range based upon the work already being performed, the employee's status, and step placement shall remain unchanged. An employee who has earned a pay increment must remain at that pay increment in the new range for two years. If an employee is reclassified to a higher salary range based upon work that they have not already been performing, their step placement shall be determined in accordance with Article 13.

The merit anniversary date or pay increment date, status and salary step assignment of an employee whose position is reallocated from one (1) class to another class at the same salary range shall remain unchanged.

An employee holding a position which is assigned to a lower pay range or reallocated to a classification which carries a lower pay range shall be treated in the following manner:

1. If the employee's current salary is the same as any step in the new range, the employee shall enter the new range at that step;
2. If the employee's current pay rate falls within the lower range, but does not match any steps within the new range, the employee shall be placed at the lower of the two steps closest to their current pay rate and the employee's pay rate shall remain frozen at the current pay rate until that employee earns the next merit increase or pay increment at which time that employee shall be placed at the next higher step;
3. If the employee's current salary exceeds the maximum of the new range, it shall remain frozen until it is the same as any step or falls between steps which appear on the salary schedule at the lower range, whichever is earlier.

Salaries which are frozen shall not be subject to any salary increase including contractually negotiated adjustments or cost-of-living adjustments to the salary schedule. For purposes of this paragraph employees whose positions are subject to a reallocation from one (1) class to another may not be paid at a pay increment unless they have earned such step in the class occupied prior to the reallocation action or until said step is earned in the class to which the position was reallocated.

Time served at Step F or a pay increment of the higher range shall be counted as time served at Step F or a pay increment of the lower range.

13.6 Anniversary Dates

The merit anniversary date or any other pay increment date must be advanced one (1) month later for each twenty-three (23) days of leave without pay in a leave year.

13.7 Rehire Employees

If an individual, eligible for rehire, is reappointed to a class or to a parallel class with prior approval of the Director of the Division of Personnel and Labor Relations under Section 20.04, in which the employee previously held permanent or probationary status, the appointing authority may make the appointment at the same step in the salary range for the class that the employee occupied before separation, provided that the rehire occurs within a period of three (3) years.

If an individual is rehired with prior approval of the Director of the Division of Personnel and Labor Relations in a lower class in the same class series, or a closely related class, the employee may be paid at the step in the range of the lower class of positions that best reflects the earned step based on creditable State service or at such other step approved in advance by the Director of the Division of Personnel and Labor Relations.

If appointed above the beginning step of the range, the employee's merit anniversary shall be the beginning of the pay period following completion of one (1) year of service after hire or the equivalent for part-time employees. An employee reappointed at a pay increment must complete two (2) years of service after hire before moving to the next pay increment.

13.8 Promoted Employees

- A. If an employee in frozen pay status is promoted to a higher job class, the promotion shall result in, at a minimum, a three (3) step real increase in compensation.
- B. An employee who has served one-half (1/2) or more of the time required to be considered for the next step increase shall, upon promotion to a position in a higher salary range in the bargaining unit, be placed at Step A of the higher range or such other step as shall provide an increase of four (4) steps, whichever is greater.
- C. An employee who has served less than one-half (1/2) of the time required to be considered for the next step increase shall, upon promotion to a position in a higher salary range in the bargaining unit, be placed at Step A of the higher range or such other step as shall provide an increase of three (3) steps, whichever is greater.

A promoted employee entering the new range at a pay increment shall be treated as if that increment had been earned in the new range and granted further increments accordingly.

- D. The promoted employee's entitlement to a three (3) step or four (4) step increase upon promotion will be determined in accordance with Sections 13.08B and C. The step on the salary schedule that represents a three (3) or four (4) step increase, as appropriate, will be located on the employee's former salary schedule. When there is no match, the employee will be placed at the next higher step on the Confidential salary schedule or at Step A, whichever is greater.
- E. For purposes of this section, "steps" means both pay increments and merit steps.

13.9 Acting in a Higher Range

An employee who has received prior written delegation to perform essentially all of the duties of a specific position at a higher range for ten (10) consecutive calendar days shall be paid at the step of the higher range that would be appropriate in case of promotion, retroactive to the first (1st) day of such duties. Upon commencement of the employee's regular duties, the employee's pay rate shall return to normal. Such delegation shall not exceed sixty (60) days unless extended by the Director of the Division of Personnel and Labor Relations.

Accrued leave used or cashed out while in acting status shall be paid at the employee's regular rate of pay.

It shall not be a violation of this Agreement, nor cause for disciplinary action, if an employee declines to accept a written delegation of authority. Employees shall be informed of the expected length of a delegation of authority at the time it is offered.

An employee who promotes into the same job class at the same level for which they were previously acting, within one hundred and twenty (120) calendar days of ending acting status, shall be credited with one (1) month toward the probationary period for every accumulative month of acting in the higher range to a maximum of one half (1/2) the required probationary period.

For purposes of this section, "temporary upgrade" and "acting in a higher range" shall be

understood as interchangeable terms.

13.10 Subfills

An employee who subfills a position within the bargaining unit for more than fifteen (15) days shall receive full credit for the time served, for promotional purposes, by submittal of a written report to be placed in the employee's personnel file. This provision does not apply to positions that are flexibly staffed.

13.11 Penalty Pay

If the employee does not receive the paycheck on payday or within twenty-four (24) hours of the close of business on payday, the employee shall be entitled to penalty pay of forty dollars (\$40.00) for every day thereafter that the check is late, provided the employee gives written notice to the Employer within three (3) business days.

If the employee does not receive their termination pay within three (3) working days of termination, the employee shall be entitled to penalty pay of forty dollars (\$40.00) for every day thereafter that the check is late, provided the Employer is notified within five (5) business days of termination pay being late.

Failure to provide notice to the Employer within the specified time period shall forfeit claim for penalty pay until such notice is given. In no case may penalty pay exceed four hundred dollars (\$400.00) for any single incidence of late pay.

Verified pay shortages shall be paid no later than fifteen (15) days after verification of a written complaint. However, verified pay shortages of one hundred dollars (\$100) or less shall be paid on the next regular bi-weekly warrant. If not paid as provided in this paragraph, the penalties set forth above shall apply.

13.12 Downward Movement

- A.** Involuntary Demotion. An appointing authority may demote an employee holding permanent status in the job class from which demoted only for just cause. The demoted employee will be furnished with a statement in writing, setting forth reasons for the demotion within fifteen (15) calendar days from the Director of the Division of Personnel and Labor Relations. An employee who is demoted for just cause shall enter the new range at the step occupied at the higher range.
- B.** Voluntary Demotion. An employee holding permanent status in a classification may request a voluntary demotion to a lower class in the same or a closely related class series. The employee shall retain permanent status in the lower class, with no change to their merit anniversary date or pay increment date. An employee who is granted a voluntary demotion shall be paid at the step in the range of the lower class that best reflects creditable State service at or above the range demoted to.
- C.** An employee who is appointed to a position in a lower job classification that is not the same, parallel, or closely related shall be paid at the step in the range of the lower class that best reflects the earned step based on creditable State service. The employee shall serve a new probationary period and shall have a new merit anniversary step established. An employee who is placed at a pay increment step shall have no change to their pay increment date.
- D.** Time served at Step F or a pay increment of the higher range shall be counted as time

served at Step F or a pay increment of the lower range.

13.13 Lateral Movement

- A. An employee appointed to a position in the same classification, at the same pay range, or a parallel class shall retain the step held prior to the transfer and the employee's merit anniversary or pay increment date and status shall remain unchanged.
- B. An employee appointed to a position in a different classification (which is not parallel) at the same pay range shall retain the step held prior to the transfer. The employee shall serve a new probationary period and shall establish a new merit anniversary date. If an employee is at a pay increment, there shall be no change to the pay increment date.

13.14 Dispatchers

- A. Employees of the Alaska Marine Highway System functioning as Dispatchers shall be compensated as follows for work performed by telephone outside of regular work hours. For calls received within four hours after completion of the regular work day, the time worked shall be recorded on the timesheet in fifteen (15) minute increments. For calls received later than four hours after completion of the regular work day, the time worked on the timesheet shall be recorded in thirty (30) minute increments.
- B. Bargaining Unit Members who are functioning as Dispatchers will be paid the equivalent of one step above the earned step on the applicable salary table. The earned step will not be moved forward due to the step adjustment; the merit anniversary or service step date, whichever is applicable, will not be affected.

13.15 Overpayments

Overpayments discovered after one (1) year from the date the overpayment was made shall be forgiven by the Employer provided the employee was not directly involved in the calculation or certification of the payroll resulting in the error and the overpayment was not the result of fraud, deception or the employee's negligence.

ARTICLE 14

Insurance

14.1 Employee Health Insurance Plan

The Employer shall provide a policy of group insurance, generally referred to as the Commissioner's Plan under AS 39.30.090, covering full time employees, their spouses, and eligible dependents.

The Employer shall seek to maintain a plan with prudent reserves and appropriate cost sharing. This Article shall in no way limit the Commissioner's authority under AS 39.30.095.

The amount of employer contributions and employee contributions shall be established by the Commissioner of Administration on an annual basis in accordance with AS 39.30.095B.

The Employer's health insurance shall be the amount of money, for all employees, that is necessary

to fund comparable coverage under the “Select Benefits Economy Medical/Audio/RX and preventative Dental Plan,” less a monthly employee contribution not to exceed 15% of the premium contribution for the employee only and employee plus family economy plans.

The eligibility of employees and their dependents for coverage and the precise benefits to be provided shall be as set forth in the insurance plan documents, consistent with AS 39.30.090. The Employer shall provide written notice to the CEA of changes to the level of health insurance benefits at least sixty (60) days prior to implementation.

The Employer's responsibility under this section is limited to the payment of necessary contributions required to purchase the insurance coverage. The Employer has no liability for the failure or refusal of the third party administrator to honor an employee's claim or to pay benefits and no such action on the part of the third party administrator shall be attributable to the Employer or constitute a breach of this Agreement by the Employer. Under no circumstances shall the Employer be responsible for paying any health insurance benefits directly to an employee. Disputes regarding individual claims shall be adjudicated solely through the procedures provided by the third party administrator, except that an allegation that the Employer has failed to pay the required premium may be subject to the grievance procedure set out at Section 12.02.

The Employer expressly waives its right to require the CEA to bargain collectively and the CEA expressly waives its right to require the Employer to bargain collectively over all matters relating to the provision of a group health insurance plan established pursuant to AS 39.30.090 and AS 39.30.095.

14.2 Employee Life Insurance

A. Employer Provided Life Insurance: The Employer will insure the life of every employee in the principle amount of ten thousand dollars (\$10,000).

B. Employee Purchased Life Insurance: The Employer will continue to make available an Optional Life Insurance Policy to each employee who is eligible for coverage under the Employer provided health insurance plan. The amount of the optional life insurance available for each employee to purchase will be an amount equal to the employee's annual base income rounded to the next highest thousand. The maximum amount available will be \$100,000.

14.3 Travel and Accidental Insurance

The Employer will insure the life of every employee against accidental death while the employee is traveling within the scope of his/her State employment in the amount of two hundred thousand dollars (\$200,000). The Employer will make a timely good faith attempt to alter the existing policy to allow for the payment of death benefits to a beneficiary (beneficiaries) at their option over a five (5) year period or a lump sum payment provided that such a change is at no additional cost to the Employer.

14.4 Re-negotiation

If a state or national health insurance plan becomes law that requires participation by employees covered by this Agreement, or if health benefits come taxable during the term of this Agreement, the parties shall reenter negotiations within thirty (30) days.

One member designated by the Association shall participate on the Health Benefits Evaluation Committee.

14.5 Health Trust

During the term of this agreement CEA may explore providing an employee directed health insurance plan through development of a health insurance trust, participation in a health care coalition, or other appropriate delivery mechanism. Once CEA has completed its review and analysis, the State may conduct its own review and analysis to determine the potential impact on Alaska Care. After the State's review, the parties will meet and confer within 120 days.

14.6 Health Care Authority Reopener

During the term of this agreement the State may explore providing health benefits through an alternative method of delivery by participating in a health care authority (HCA). As a participating employer of the HCA, the State will retain autonomy over the plan in consultation with Health Benefits Evaluation Committee on terms of the plan design features, such as the amount of the annual deductible, required copayment for prescription drugs, and employer coinsurance.

At the request of either party, this article will be reopened for negotiations in the event the State becomes a participating employer during the term of this Agreement in a health plan or plans offered through the creation of an HCA.

ARTICLE 15 Travel and Per Diem

Travel, moving, per diem, and meal allowances shall be paid in accordance with the provisions of the Administrative Manual, in effect at the time of travel, including provisions for payment of actual expenses, as appropriate in all communities.

If an employee chooses to work in a State office, with prior supervisory approval, while on personal travel, the employee's duty station shall remain unchanged and they will not be entitled to travel provisions under this Article. Under this provision, the employee will not be required to use leave while performing the duties of their position.

ARTICLE 16 Personnel Files

16.1 Employee Access

Employees shall have access to their personnel file or files. Before any notation is placed in the personnel file, the employee shall be given a copy. Secret files shall not be kept on any employee.

16.2 File Review Procedure

The employee, either individually or accompanied by a CEA representative, may request in writing that particular disciplinary documents concerning a warning or reprimand be removed from the employee's personnel file. Such a request shall be made to the employee's division director and shall include a rationale for the removal. The director may grant or deny the request, and such

decision shall not be subject to further review, notwithstanding the provisions of Section 12.02 (grievance procedure). If the request is denied the director shall provide the employee with a written explanation of the reason for denial.

Documents removed pursuant to this procedure shall be forwarded by the employee's supervisor to the Director of the Division of Personnel and Labor Relations. The parties agree that such documents may be maintained as part of the Labor Relations files, provided that such documents shall not be forwarded to potential employers within or outside State government.

An employee may invoke this procedure only once per calendar year.

ARTICLE 17

Unit Responsibilities and Disciplinary Actions

- A.** In cases of discharge, suspension or demotion for just cause the Employer agrees to notify the employee and President of CEA or designee in writing concurrent with commencement of the action.
- B.** No employee shall disclose any confidential information pertaining to the Employer's business. Proven violation of this section shall be deemed sufficient cause for appropriate disciplinary action.
- C.** CEA and the Employer agree that sexual harassment by or against an employee covered by this Agreement shall not be condoned and may result in disciplinary action.
- D.** CEA and the Employer agree that with the exception of instances of egregious misconduct, including but not limited to chemical or alcohol intoxication, being under the influence of alcohol or drugs while on the job, disobedience, dishonesty, physical misconduct, abusive or lewd behavior, theft or fraud with a nexus to the workplace, the unauthorized possession, viewing or accessing of pornography or lewd materials at work or on State equipment, or abandonment of duties, all permanent employees shall be given two (2) weeks' notice or two (2) weeks' pay prior to discharge.
- E.** Employee behavior shall conform to that specified in the Executive Ethics Act, AS 39.52.
- F.** Employees recognize that the need for security of privileged information pertaining to contract negotiations or confidential information under AS 39.25.080 is a requirement for acceptable fulfillment of the employees' duties and responsibilities.

ARTICLE 18

Performance Evaluations and Probationary Periods

18.1 Frequency of Evaluation

- A.** An employee holding probationary status shall receive a written performance evaluation halfway through, and at the completion of, the probationary period.

B. An employee holding permanent status shall receive annually a written performance evaluation. The Employer may transition to scheduling the completion of annual performance evaluations on the same date of all employees within an agency, or subagency, rather than by merit/pay increment anniversary dates. In such an event, the requirements that evaluations be on merit/pay anniversary dates will no longer apply, however, the requirements for probationary employees shall remain intact.

C. The purpose of the evaluation is to improve communication between the supervisor and employee, improve motivation and develop employee skills. The evaluation shall outline performance standards for the next rating period and a plan for meeting performance goals including training needs for that period.

D. In the event a performance evaluation has not been completed within six (6) months from the evaluation due date, a complaint may be filed with the first level supervisor outside the bargaining unit.

18.2 Review of Evaluations

A. Documentation used to develop an evaluation will be retained until the evaluation has been formally accepted and all complaint process deadlines have expired. At that time, the supervisor shall remove such documentation from an employee's supervisory file.

B. All performance evaluations shall be reviewed with the employee by the rater. An employee who is dissatisfied with a performance evaluation may make a written rebuttal within ten (10) working days of its presentation to the employee for signature. The written rebuttal shall be attached to the evaluation prior to finalization and become a part of the employee's personnel file.

18.3 Merit Increases or Pay Increments

A. Merit increases and pay increments may be granted or withheld based upon the appointing authority's evaluation of an employee's performance.

B. A merit increase of one step in the salary range shall be given to an employee whose performance is considered "acceptable" or better and of progressively greater value to the state based on the employee's most recent performance evaluation.

C. If an employee receives an overall performance evaluation of "Outstanding," a merit increase of two steps in the range may be given on the merit anniversary date at the discretion of the appointing authority. No merit increase may place an employee at a higher salary level than the top merit step of the employee's assigned salary range.

D. A merit increase or pay increment may be withheld if the employee has received an overall performance rating of "Low Acceptable" or "Unacceptable". An appointing authority may grant a merit increase when one has been withheld once the employee demonstrates improved performance resulting in a new evaluation with an overall performance rating of "Acceptable" or better. Such an increase is effective the first day of the pay period after the employee's performance evaluation documenting the improved performance is signed by the appointing authority.

18.4 Performance Evaluation Disputes

An employee who is dissatisfied with a written performance evaluation which does not involve the denial of a performance incentive may obtain review of that evaluation through the following procedure, which shall be the sole and exclusive remedy for such disputes.

A. An Overall Rating of Mid Acceptable or Higher: An employee who is dissatisfied with a written performance evaluation that includes an overall rating of mid acceptable or higher may attach a written rebuttal to his or her performance evaluation prior to finalization of the evaluation.

B. An Overall Rating of Low Acceptable or Lower, or A Specific Rating of Unacceptable: An employee who receives an overall rating of low acceptable or lower, or a specific rating of unacceptable, may obtain review of that evaluation, or the specific area rated unacceptable, through the following procedure:

Level One: Within thirty (30) days after receipt of a copy of the finalized evaluation, the employee must submit through the CEA a written request to the Director of the Division of Personnel and Labor Relations, Department of Administration, asking that the Director investigate allegations that the evaluation includes factual inaccuracies, or that in the preparation of the evaluation management has been arbitrary or capricious, or has been motivated by discrimination or bias.

The written request must state specifically the allegations to be investigated and, to the degree that information in support of those allegations is known, identify the facts surrounding the controversy. The list of allegations to be investigated shall not be expanded after the initial submission to the Employer except by written mutual agreement of the parties.

Upon receipt of a written request, the Director shall transmit a copy of the request to the employee's director or section manager if the employee works in the Division of Personnel and Labor Relations. The division director or section manager shall have thirty (30) days to assign an investigator outside the complaint's direct chain of command to investigate and make written recommendations to the Director regarding revision of the evaluation, with a copy to the CEA.

Level Two: In the event the dispute is not resolved by the recommendations to the Director of the Division of Personnel and Labor Relations, the employee through the CEA shall submit a written request for informal hearing to the Director of the Division of Personnel and Labor Relations within ten (10) days after receipt of the recommendations. Absent such a request, the Director shall adjust the evaluation in accord with the recommendations, provided that those recommendations are not in violation of law or regulation.

If a hearing is requested, every reasonable effort shall be made to schedule the hearing within thirty (30) days of the request and in no case later than sixty (60) days. If feasible, hearings shall be conducted by an individual outside the employing department and bargaining unit, mutually acceptable to both parties. The employee and the employing department shall have one (1) hour each to present additional testimony and documentary evidence, which shall be considered by the Hearing Official together with the employee's initial request and the Level One recommendations.

The Hearing Official shall issue a final decision within fifteen (15) working days after the close of the informal hearing revising those contested facts found to be inaccurate. Other contested portions of the evaluation shall be revised upon a finding by the Hearing Official that in the preparation of the evaluation management has been arbitrary or capricious, or was motivated by discrimination or bias.

18.5 Performance Incentive Appeals

In instances in which an employee has not been awarded a performance incentive, the following shall be the sole and exclusive method for resolution:

Level One: The employee must appeal within fifteen (15) working days after receipt of a copy of the finalized evaluation that fails to grant a performance incentive. The appeal must be made in writing through CEA to the Director of the Division of Personnel and Labor Relations setting forth the reasons the employee disagrees with the Employer's action. The Director shall respond in writing within fifteen (15) working days after receipt of the appeal.

The Director shall review the appeal in conjunction with the subject performance evaluation and any rebuttal thereto, pertinent related performance documents and statements, the employee's job description and class specification.

The Director shall respond to the appeal in writing within twenty (20) working days after receipt of the appeal. If the Director grants the appeal, CEA and the employing department or agency shall be notified concurrently, together with the rationale for the Director's determination.

Level Two: In the event that the Director does not grant the appeal, the Union may advance the appeal to the neutral third (3rd) party selected in accordance with the procedures below by submitting a written request to the Director of the Personnel and Labor Relations within ten (10) working days after receipt of the denial at Level One. The request may include additional argument in support of CEA's position, to which the Director may make a written response; neither party shall submit new evidence in conjunction with these written statements. The Director of the Division of Personnel and Labor Relations shall forward copies of the Level One appeal and response to the neutral third (3rd) party within ten (10) working days of receipt of CEA's request. The submission shall include all documents and written arguments reviewed by the Director at Level One. Any dispute concerning the admissibility or relevance of performance related documents shall be resolved by the neutral third (3rd) party at such time as the appeal is forwarded for final decision.

The neutral third (3rd) party shall render a written decision and rationale within thirty (30) days after receipt of the appeal. The decision shall be binding and non-reviewable. Costs associated with the neutral third (3rd) party shall be borne equally by the parties.

Selection of a Neutral: The Employer and the Union shall jointly select the neutral third (3rd) party. In the event that agreement has not been reached within thirty (30) days after signing of the Agreement, the neutral shall be selected by alternately striking names from the list of arbitrators provided for in Article 12 until one (1) name remains and that individual shall be appointed.

18.6 Probationary Periods

The probationary period shall be regarded as a part of the examination process that shall be utilized for closely observing the employee's work and adjustment to the position. Employees who, in the judgment of the Employer, have satisfactorily passed the probationary period shall be retained and given permanent status in the job class at the end of the applicable probationary period. Employees who, in the judgment of the Employer, have not or will not satisfactorily pass the probationary period shall not be retained in the job class.

A. The probationary period for an employee in ranges 5 through 13 shall be six (6) months and for ranges 14 and higher it shall be one (1) year. The employee's merit anniversary date shall be the first day following the completion of the probationary period.

An employee who has satisfied the requirements for completion of the probationary period except for duration may, with the prior written approval of the division director, be granted permanent status on the first day following completion of the probationary period.

B. An employee who has completed one-half (1/2) of the prescribed probationary period and, at the determination of their supervisor, has learned the full scope of the position's duties may be granted permanent status effective to the date of determination.

C. If the Employer determines that an employee will not successfully complete their probationary period they may after written mutual agreement with the employee, extend the probationary period for a period not to exceed three (3) months. For purposes of this section, "written mutual agreement" shall be satisfied by a letter of agreement or a standardized form prepared by the Department of Administration and approved by CEA.

D. An employee who is promoted prior to the completion of a probationary period to a higher level position in the same class series shall be granted probationary credit for actual time worked in the lower job class. Upon successful completion of probation in the higher job class the employees shall be considered as also completing probation in the lower level job class. If such an employee is notified of failure to complete the probationary period in the higher job class, the employee shall be returned to a vacant position in the class which the employee left.

E.

1. Upon promotion, an employee shall serve a new probationary period.
2. Upon rehire or upon appointment to a position at the same or lower salary range which is in a different class series and is not parallel, the employee shall serve a new probationary period and shall have a new anniversary date established. An employee who is placed at a pay increment step shall have no change to their pay increment date.

F.

1. Voluntary Movement. Employees with permanent status in a job class may accept an appointment to a position in another class. If such an employee is notified of failure to complete the new probationary period, the employee shall be returned to a vacant position in the class in which the employee holds permanent status and which the Employer decides to fill, with no right of appeal of the action.

Upon placement to the former job class, the employee shall retain permanent status and shall have their merit anniversary date or pay increment date forwarded for every full month spent in the former position.

2. **Reclassification to Another Job Class.** If an employee who is reclassified and was subsequently placed in probationary status fails to satisfactorily complete their probationary period, the employee shall be returned to a vacant position in the class in which the employee holds permanent status and which the Employer decides to fill, with no right of appeal of the action.

Upon placement to the former job class, the employee shall retain permanent status and shall have their merit anniversary date or pay increment date forwarded for every full month spent in the former position.

Every effort shall be made to notify the employee that the probationary period will not be successfully completed at least fourteen (14) calendar days prior to its expiration. Whatever the reason, failure to give fourteen (14) calendar days' notice does not mean that the employee gains permanent status.

The provision or retention of legal assistance under the Article is the sole and exclusive responsibility of the Association and/or the member. Unless such actions are taken to demand and enforce payment by the State of the required contributions the Association agrees to defend, indemnify, and hold harmless the State against any and all legal actions, orders, judgments, or other decisions rendered in any preceding as a result of the implementation of this Article.

B. The parties agree to confer immediately for the limited purpose of arriving at a mutually satisfactory supplement to this Agreement covering terms and conditions of employment not specifically covered by this Agreement caused by changes in laws, statutes, personnel rules, executive orders or other conditions. The Employer and CEA agree to designate

representatives having authority to negotiate for their respective interests.

This Agreement is the entire Agreement between the Employer and CEA. The parties acknowledge that they have fully bargained with respect to terms and conditions of employment and have settled them for the duration of this Agreement. This Agreement terminates all prior agreements and understandings and concludes all collective bargaining for the duration of this Agreement.

However, nothing contained herein shall be interpreted as precluding the right of the parties by mutual agreement to negotiate on matters that develop after entering into this Agreement.

Any additions, deletions, or changes that are negotiated during the life of this Agreement shall be in the form of an addendum or memorandum of understanding and shall become a part of this Agreement.

ARTICLE 26
