Payment of dues for that pay period shall be made by the bargaining unit member directly to the Union.

ARTICLE 7 - Labor – Management Committees

7.1 Purpose and Procedures

- A. To facilitate communication between the parties and to promote a climate conducive to constructive employee relations, joint labor-management committees will be established to discuss matters of mutual interest. Committee size will be determined by mutually agreed upon arrangements at the appropriate level. The composition of each Union delegation to labor-management committees will be at the discretion of ASEA.

ARTICLE 8 - Emergency Personnel

- A. It is understood that from time-to-time the Employer has a need to place emergency personnel on the payroll. Emergency personnel are those in pay status for no more than thirty (30) calendar days in any emergency situation. It is agreed that emergency personnel are not members of the bargaining unit and are therefore not covered under the terms of this Agreement. Further, it is agreed that the current 2 AAC 07.190 on Emergency Appointments shall continue in full force and effect.
- B. This Article shall not apply for emergency appointments to positions normally held by a bargaining unit member and the Employer agrees that emergency hires will not be made to circumvent the recruitment and selection process, to delay the return of seasonal bargaining unit members, or otherwise to displace a bargaining unit member.
- C. Emergency personnel as defined in this Article shall appear on the monthly personnel listings of all General Government bargaining unit members as provided for in this Agreement. Such listings shall designate by code which individuals are emergency personnel for the period of the listing.

ARTICLE 9 - Nonpermanent Appointments

It is recognized that the need exists to hire nonpermanent personnel in positions similar in duties and requirements to permanent positions in the bargaining unit; therefore, the following provisions shall apply to nonpermanent appointments in the bargaining unit:

9.01 Wages.

An individual hired as a nonpermanent covered by this Agreement must perform the work of the assigned class and may not be paid less than the entry salary step of the range assigned to the class in which the nonpermanent is to work.

9.02 Short-Term Nonpermanent Appointments.

- A. Positions, which are established for periods of ninety (90) calendar days or less in any twelve (12) month period, may be filled through the use of short-term nonpermanent appointments. The Director of the Division of Personnel and Labor Relations may authorize such appointments to be made without recruitment or examination. The Employer and Union agree that all determinations concerning the terms and conditions of short-term nonpermanent employment shall be made independently by the Employer, except as specifically provided in this or other Articles.
- B. Short-term nonpermanent appointments may be extended by the Director of the Division of Personnel and Labor Relations. If a short-term nonpermanent position is extended, it remains a short-term nonpermanent position. In the event that a short-term nonpermanent continues to work beyond one hundred twenty (120) days, the appointment shall, as of the one hundred and twenty-first (121st) day, be treated as a long-term nonpermanent appointment for specific benefit purposes only and these benefits (health and life insurance, annual and sick leave, and holidays) shall be awarded retroactive to the date of appointment. The individual has the option to either designate retroactive application of the health and life insurance benefit or make it effective on the first day of the month following the 121st day of employment.
- C. If a short-term nonpermanent position expires, another short-term nonpermanent position may not be established to perform the same set of duties for a period of at least sixty (60) days.

9.03 Long-Term Nonpermanent Appointments.

- A. Nonpermanent positions which on the date established are for periods of more than one hundred twenty (120) days and less than twelve (12) months duration may be filled through the use of long-term nonpermanent appointments. Any individual hired pursuant to this provision shall meet the minimum qualifications as required of individuals seeking permanent employment in the class into which they are to be hired. The Employer agrees that all nonpermanent appointments will be consistent with AS 39.25.195 - 39.25.200.
- B. In the event that a long-term nonpermanent bargaining unit member is worked for longer than twelve (12) months, except as provided in Section 9.05, the Employer will review the reasonableness of establishing a permanent position, except where the position has a specific termination. If a permanent position is established under this subsection, the

Employer may recruit for the position and the long-term nonpermanent bargaining unit member shall be eligible to compete for the position. Twice a year, the Union may request, in writing, to the Director of the Division of Personnel and Labor Relations, that the Employer will provide the Union a list of all long-term nonpermanent bargaining unit members. The Employer shall provide such list within thirty (30) days of the receipt of the Union's written request.

- C. All long-term nonpermanents will be entitled to personal leave, health and life insurance and holiday benefits. These benefits shall be prorated for less than full-time work on the same basis as for employees in the bargaining unit. Long-term nonpermanents shall have access to the complaint procedure established in Article 15 as the sole means for resolving disputes or controversies with respect to nonpermanent employment.

9.04 Probationary Credit.

Time spent in nonpermanent status shall be credited toward probationary status as follows: If the nonpermanent is appointed to probationary status in the same classification performing similar duties with no break in employment, the nonpermanent shall be credited with one (1) month toward the probationary period for every consecutive month of nonpermanent employment to a maximum of one-half (1/2) the required probationary period in the job class.

9.05 Workforce Innovation and Opportunity Act and Similar Nonpermanents.

- A. It shall not be a violation of this Agreement to employ Workforce Innovation and Opportunity Act or similar nonpermanents and such nonpermanents shall be members of the bargaining unit. The Employer agrees to abide by the federal regulations governing such employment programs.
- B. Any dispute between the parties under this paragraph concerning compliance with federal regulations shall not be subject to the complaint or grievance procedures of this Agreement but may be referred by either party, after discussion, to the federal agency responsible for the program for resolution. Neither party waives its right to seek resolution of the matter in court when appropriate after exhaustion of the administrative remedies as authorized in this paragraph.

9.06 On-Call Nonpermanent Substitutes.

The parties recognize that the need exists to establish nonpermanent positions the duties and requirements of which are similar to permanent positions in the bargaining unit. Specifically, there exists a need for such positions whose incumbent(s) are on-call to temporarily substitute for other members of the bargaining unit; therefore, the parties agree to the following terms and conditions of employment for such personnel:

- A. Definition: An on-call nonpermanent substitute position shall be defined as a nonpermanent position whose incumbent(s) are sporadically scheduled or called to work.
- B. All determinations concerning the terms and conditions of on-call nonpermanent substitute employment shall be made independently by the Employer, except as specifically provided in this Agreement.
- C. Terms and Conditions:

1. On-call nonpermanent substitute personnel shall be exempt from the provisions of Sections 9.02 and 9.03, except as specifically provided herein.
 2. On-call nonpermanent substitute personnel who are called to work may refuse the work for personal or other reasons and will not be subject to discipline for such refusal, provided that once an assignment is accepted, an on-call substitute must complete that assignment or be subject to discipline unless prior approval has been obtained. Approval for absence due to illness shall be granted in the same manner as leave is granted for medical purposes pursuant to Articles 25 or 26.
 3. An individual hired as an on-call nonpermanent substitute covered by this Agreement must perform the work of the assigned class and shall be paid at the entry salary step of the range assigned to the class in which the on-call nonpermanent substitute is to work, unless another step is granted in accordance with Article 21.06.A.
 4. After working for a number of hours equal to the full-time, probationary period, in hours, of the assigned class, the incumbent of an on-call nonpermanent position shall be paid one step above the salary step at which placed pursuant to Section 9.06.C.3. Actual step placement shall remain unchanged. Hours shall be cumulative from the date of appointment to the position. If the on-call substitute is appointed or converted to a nonpermanent position in accordance with Section 9.06.D.1, or if the on-call substitute accepts an appointment into a permanent position, he or she shall retain the earned step increase.
 5. An agency may offer a short- or long-term nonpermanent appointment to an on-call substitute working in the same job class without recruitment or examination. At the conclusion of such an appointment, that individual shall revert to on-call nonpermanent substitute status.
- D. Conversion:
1. On-call nonpermanent substitute personnel who remain in pay status for at least thirty (30) hours per week for seventeen (17) consecutive workweeks shall be subject to the provisions of Section 9.03 prospectively following the seventeenth (17th) consecutive week.
 2. On-call nonpermanent substitute personnel who are appointed to nonpermanent positions pursuant to Sections 9.02 or 9.03, or to permanent/probationary positions shall be placed at Step A of the appropriate range, except if another step is granted in accordance with Article 21.06.A.
- E. On-call nonpermanent personnel shall not be eligible for group health insurance.
- F. On-call nonpermanent personnel shall not be eligible for holiday pay, but shall receive time and one-half for all hours worked on a holiday at the appropriate shift rate of pay.
- G. On-call nonpermanent personnel shall not accrue leave, but may be granted approved absences from duty without pay.

- H. On-call nonpermanent substitute Certified Nurses' Aides at the Alaska Pioneer Homes shall receive an additional \$1.50 above the salary schedule for each compensable hour worked.

9.07 Alaska Temporary Assistance Program (ATAP)

- A. ATAP workers working with General Government Unit (GGU) members are not represented under the terms of this Collective Bargaining Agreement.
- B. These workers shall not be considered GGU members, and they shall perform work as defined by newly created entry level temporary class specifications developed by the Division of Personnel, and agreed to by ASEA/AFSCME Local 52. This ATAP work will be substantially different than work currently performed by GGU workers.
- C. The Employer agrees that no current GGU position shall be eliminated as a result of the employment of ATAP temporary training workers, and if a GGU member is on layoff status they will not be replaced by an ATAP worker.
- D. GGU members may provide mentoring assistance to these temporary training workers. This mentoring shall not be a consideration for the purposes of 8 AAC 97.990(a)(5).

ARTICLE 10 - Recruitment and Selection

The parties agree that it is their mutual intent to strengthen the merit principles in the bargaining unit and, pursuant to AS 23.40.070(3), shall use all due diligence to maintain merit principles among public employees to the end that public employees be selected, appointed, and promoted from among the most qualified, not on the basis proscribed in Article 6.01.A (Nondiscrimination). Except as specifically provided in this Agreement, all recruitment and selection for positions in the General Government Unit shall be made consistent with the Personnel Rules.

No provision of this Agreement shall be construed to interfere with the rights of injured workers pursuant to AS 39.25.158 and AS 23.40.075.

10.01 Recruitment.

- A. The Director of the Division of Personnel and Labor Relations or any person to whom the Director has delegated this authority shall maintain a list of all laid off employees in accordance with the Standard Operating Procedures, Department of Administration, Division of Personnel and Labor Relations and this Agreement.
- B. All eligible applicants must meet all prerequisites and pass all tests of fitness required by the Employer. The Employer is under no obligation to consider any applicant, unless the applicant has preferential rights under other provisions of this bargaining agreement, by statute, or by law.

Eligible Rehire or Transfer candidates may be appointed without recruitment or application. Such appointment will be in accord with Articles 11.06, 11.07 and 21.06.B and D of this Agreement.

The Director of the Division of Personnel and Labor Relations or designee may establish and maintain the following applicant pools, and they are defined as:

1. Department Recruitment: Recruitment is limited to permanent state employees who are employed in the classified service of the appointing department and who have correctly applied for the vacancy.
 2. State Employee's Only Recruitment: Recruitment is limited to permanent state employees in the classified service who have correctly applied for the vacancy.
 3. Open-Competitive Recruitment: Recruitment is open to all individuals within the identified geographic region who have correctly applied for the vacancy.
- C. Employees in the bargaining unit who have permanent status, veterans or National Guard preferential status, or who qualify as an underutilized candidate shall appear in applicant pools with their status clearly marked.
 - D. Transfers and Rehires: Employees who desire transfer or rehire shall have their status clearly marked.
 - E. The group of applicants generated through Workplace Alaska or other recruitment devices shall be known as the Applicant Pool. Applicant Pools used to fill vacancies in the

Bargaining Unit, including final rankings, if any, shall be open for inspection by a Union Representative. Confidential information regarding non-bargaining unit members will be respected and is not open for inspection.

- F. Should the appointing authority use an Applicant Pool, an opportunity to interview shall be given to a minimum of the three (3) most qualified bargaining unit members who meet or exceed the minimum qualifications and are eligible for consideration. If the interview results in a ranking of eligible applicants the bargaining unit member(s) will also be ranked.
- G. Pursuant to the parties' mutual recognition of the principles of Equal Employment Opportunity and Affirmative Action, in accordance with 2 AAC 07.175, the parties agree that if Personnel Memorandum 00-3 is either rescinded or superseded they will consider an LOA addressing the issues incorporated in the new Memorandum.
- H. The parties agree that the appointing authority may use the Department of Labor and Workforce Development's Division of Employment and Training Services to fill vacancies in job classes allocated at range 9 or below.
- I. The Employer agrees to make available a list of all Workplace Alaska vacancies to the Department of Labor and Workforce Development's Division of Employment and Training Services.

10.02 Appointments.

In filling a vacant position in the bargaining unit, an appointing authority shall use the following procedures:

- A. If the position to be filled is a permanent one, the Director or the person to whom authority has been delegated may only appoint the one (1) name highest on the organizational unit layoff list to the vacancy. If no organizational unit layoff list exists or if such eligibles decline appointment or are not available and the reason for filling a position is not reclassification subject to Article 12.01.D, the appointing authority may only appoint the one (1) name highest on the agency layoff list to the position. If no agency layoff unit list exists or if such eligibles decline appointment or are not available, the appointing authority may only appoint the one (1) name highest on the layoff list from other agencies.
- B. If no organizational unit layoff list exists, or if such eligibles decline appointment and the reason for filling the position is because it has been reallocated to another job class, the incumbent of the position shall be appointed to the position as of the effective date of the reallocation action.
- C. If no layoff list exists, recruitment and appointment will be made consistent with other provisions of this Agreement.

The parties agree that for the purposes of recruitment, employees on the layoff list in accordance with Section 10.01.A.1 will be considered prior to beginning recruitment, on the closing date of the application period, and prior to extending the duration of lists pursuant to Section 10.03.B.

A laid off employee's designated conditions of employment upon return from layoff in effect prior to beginning a recruitment will also be the conditions considered on the closing date of the application period. This does not apply to extensions pursuant to Section 10.03.B.

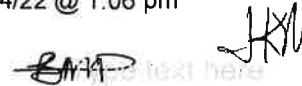

- D. It is understood between the parties that an Applicant Pool for a vacancy will include the names of other applicants who are not bargaining unit members, but that the provisions of this section shall apply to bargaining unit members only.
- E. When practical, the parties agree to encourage the use of hiring panels composed of at least three (3) individuals of the Employer's choice when interviewing candidates to fill a bargaining unit vacancy. This shall not be construed to require the use of hiring panels in any hiring decision.

10.03 Duration of Applicant Pools and of Eligibility on Lists.

- A. Layoff: Three (3) years from the date of separation from the classification in which the employee earned layoff rights.
- B. Departmental, State Employees Only and Open-Competitive Recruitment shall be valid for ninety (90) days from closing date of recruitment; however, the Director of the Division of Personnel and Labor Relations may authorize extensions. No extension may be granted if there are qualified injured workers or if there are bargaining unit members on layoff status eligible for recall to the position being filled.

ARTICLE 11 - Employment Status

11.01 Appointments.

- A. Except as specifically provided in this Agreement, all appointments to positions in the bargaining unit shall be made consistent with the Personnel Rules.
- B. No provision of this Agreement shall be construed to interfere with the rights of injured workers pursuant to AS 39.25.158 and AS 23.40.075.

11.02 Probationary Period.

The probationary period shall be regarded as a part of the examination process, which shall be utilized for closely observing the employee's work and adjustment to the position. Employees who, in the judgment of the Employer, have satisfactorily passed the probationary period shall be retained and given permanent status in the job class at the end of this applicable probationary period. Employees who, in the judgment of the Employer, have not or will not satisfactorily pass the probationary period shall not be retained in the job class.

- A. Duration.
 - 1. The probationary period for employees at range 13 and below shall be six (6) months with the provision that:
 - a. Employees in ranges 5 through 13 who, in the judgment of the Employer, have satisfied the requirements for completion of the probationary period, may with the written approval of their Division Director, be made permanent on the first day of the pay period following completion of three (3) months of probationary service.
 - b. The Employer may, after written mutual agreement with the Union, extend the probationary period of an employee in ranges 5 through 13 for a period not to exceed three (3) months.
 - 2. The probationary period for employees at range 14 and above shall be twelve (12) months with the provision that:
 - a. Employees at ranges 14 and above who, in the judgment of the Employer, have satisfied the requirements for completion of their probation may, at the discretion of the Employer, be made permanent on the first day of the pay period following six (6) months probationary service.
 - b. The Employer may, after written mutual agreement with the Union, extend the probationary period of an employee in ranges 14 and above for a period not to exceed three (3) months.
- B. An employee who is promoted prior to the completion of a probationary period to a higher-level position in the same class series shall complete the probationary period in the lower job class by mid-acceptable or better performance, as determined by the Employer, in the higher job class. The employee shall be considered as having permanent status in the lower classification at the end of the applicable probationary period following appointment to the position in that classification and shall complete the

full probationary period in the higher class, provided the employee's performance at the higher level is mid-acceptable or better, as determined by the Employer.

- C.
 - 1. Upon promotion, upon rehire or upon appointment to a position at the same or lower salary range which is in a different class series and is not "parallel" or closely related, an employee shall serve a new probationary period and establish a new anniversary date.
 - 2. An employee with permanent status in a job class, who promoted and is serving a probationary period in a higher-level job class, may use non-competitive rehire rights per Article 11.06, to return to the lower job class in which they held permanent status. If appointed through non-competitive rehire rights, the employee shall not serve a new probationary period and does not establish a new anniversary date.
- D. Employees with permanent status in a job class may accept an appointment in a different class series from that in which they hold permanent status. If such an employee is notified of failure to complete the new probationary period, he/she shall be returned to a vacant position in the class in which he/she holds permanent status and which the Employer decides to fill, with no right of appeal of the failure to complete probation or the return procedures listed below, except to enforce their terms.

Such return shall be accomplished as follows:

- 1. by placement in a vacant position in the employing agency;
 - 2. if applicable, by placement in a vacant position in the immediately prior employing agency from which the employee moved specifically in order to accept the position in which the employee has failed to complete the probationary period;
 - 3. if placement cannot be made in accordance with 1 or 2 above, the employee shall be placed in layoff from the class in which permanent status is held. No bumping rights shall exist in these circumstances.
- E. Employees returning from layoff to the same job class or lower job class in the same class series shall not be subject to the probationary period except to complete any incomplete probationary period.
- F. The provisions of this section shall not apply to positions or classifications subject to regulations which require specific periods of probation for employees performing the work of those positions or classifications, such as those promulgated by the Alaska Police Standards Council, in which case those regulations shall apply.
- G. Employees who are promoted in a flex position may be granted early permanent status, subject to the provisions of this section.

11.03 Permanent Status.

- A. Permanent status in State service shall be attained with satisfactory completion of the initial probationary period. Non-retention during the initial probationary period shall be

subject only to the complaint procedure established in Article 15 (Complaint Resolution Process). Such a Complaint shall be filed at Step Two.

- B. There shall be a probationary period following initial appointment to any job class except as otherwise provided in the Agreement. Permanent status in the job class shall be obtained on the day following the satisfactory completion of the probationary period unless an employee has been, in accordance with other provisions of this Agreement:
1. Separated;
 2. Demoted during the probationary period;
 3. Extended in the probationary period; or
 4. Notified in writing by the appointing authority prior to the completion of the probationary period that the employee will not successfully complete the probationary period. In such cases, an employee may, at the discretion of the appointing authority, continue in the position not to exceed ten (10) working days past what would have been the end of the probationary period. Employees retained longer than the ten (10) working days past the end of the probationary period shall be considered to have attained permanent status.

Every effort shall be made to notify the employee that the probationary period will not be successfully completed at least ten (10) working days prior to its expiration. Whatever the reason, failure to give ten (10) working days' notice does not mean that the employee gains permanent status thereby.

- C. An employee holding permanent status in a job class at the time of promotion will, upon promotion, retain permanent status in State service and the job class in which permanent status is held, or in the job class in which the employee attains permanent status through service at the higher level in accordance with Section 11.02, for the duration of the new probationary period.

11.04 Subfills.

- A. A subfilled position is one which is filled at a lower classification than normally utilized to fill the position and may only be authorized by the Director of the Division of Personnel and Labor Relations.
- B. Subsequent to the signing of this Agreement, any employee who is given a subfill appointment in a higher range than the employee's own shall receive full credit for the time served in the form of a report to be placed in the employee's personnel file. An employee who subfills a position in a higher range than the employee's own, as provided above, and performs the duties of the higher range shall, commencing with the second (2nd) day, be paid at the rate of the higher range. The Employer agrees that, upon request by a Union Representative, the Employer shall open a position currently being subfilled to competitive selection from among qualified applicants.
- C. Any employee who receives a subfill appointment shall be advised in writing as to the conditions of the subfill appointment.

11.05 Seasonal Leave Without Pay.

Incumbents of seasonal positions shall be placed on leave without pay at the end of the work season. Such an employee remains the incumbent of the position and is not on layoff status during the period of leave without pay. Seasonal employees may elect to carry over not more than one hundred eighty-seven and one-half (187.5) hours of annual leave for use upon their return to work. Any additional annual leave balance shall be cashed out as a lump sum. However, where the Employer determines that a seasonal employee will be on seasonal leave without pay for thirty (30) consecutive days or less, the employee may elect to carry over their entire leave balance. The decision regarding the length of seasonal leave without pay will be made by the Employer at the time the employee is placed on seasonal leave without pay. The decision of the Employer is final. Seasonal employees may elect to carry over up to their full balance of hours of personal leave from work season to work season; however, the maximum leave accrual provisions of Article 25.01.F and Article 26.01.D shall apply. Whenever practical, seasonal employees shall be given ten (10) working days' notice prior to entering seasonal leave without pay status.

Seasonal employees on seasonal leave without pay may accept offers of employment in any department.

11.06 Rehire.

An employee who separates from a job class in good standing while holding a permanent or probationary appointment may be appointed without recruitment or examination in the same class of position or in a lower class in the same series, provided such reappointment takes place within two (2) years from the employee's date of separation from the job class. Upon advance written approval of the Director of the Division of Personnel and Labor Relations, such reappointment may be in a "parallel" or closely related class.

11.07 Transfer.

- A. An employee, except a provisional employee, may apply for and be transferred to a position in the same class, or to a "parallel" or closely related job class at the same pay range in State service. If the request for transfer is restricted to the employee's own department and is in the same job class, the employee may make such request through departmental channels and may be appointed without recruitment or application.
- B. Transfers to a "parallel" or closely related job class outside of the employee's own department may be appointed without recruitment or application only upon approval of the Director of the Division of Personnel and Labor Relations after the Director has determined that the employee possesses the necessary qualifications and the job classes involved are "parallel" or closely related.
- C. The status, step placement and all accrued employee benefits of a transferred employee who accepts a position in the same or a closely related job class shall remain unchanged and the length of service with the State shall remain unbroken.
- D. A transfer to be effected for the "good of the service" without the voluntary consent of the employee must be approved by the Director of the Division of Personnel and Labor Relations. For purposes of this Section any movement within an agency that entails neither a change in job class nor a change of location outside the local geographic area shall be considered a change of assignment and shall not be considered a transfer.

If the spouse of an employee transferred for the "good of the service" in accordance with this section is also a bargaining unit member, he or she shall be granted out-of-order layoff rights to their current job class, pursuant to Article 12.

- E. The voluntary transfer of an employee within an agency or between agencies may be made at the discretion of the appointing authority(ies).
- F. For purposes of this section, an employee's request for transfer does not require the approval of the employee's supervisor.
- G. An employee may be appointed to a job class at the same range as the employee currently holds where the classes are not "parallel" or closely related by selection from an Applicant Pool. Such action shall not be considered a transfer for purposes of this section. An employee accepting such appointment shall remain at the same step in the range and all accrued employee benefits shall remain unchanged and the length of service with the State shall remain unbroken except that the employee shall serve a new probationary period and have a new anniversary date.

The parties agree that an employee with permanent status who accepts such an appointment may not be dismissed from State service without right of appeal through arbitration.

11.08 Demotion.

- A. Involuntary Demotion for Cause. An appointing authority may demote an employee holding permanent status in the job class from which demoted only for just cause. The demoted employee shall be furnished with a statement in writing setting forth reasons for the demotion.
- B. Flexibly Staffed Positions
 - 1. Employees in flexibly staffed positions (as identified in Appendix H of this agreement) who hold permanent status in a lower level (trainee) of the class series and fail probation will only have return rights to a position in a different job class provided that permanent status was earned in a different class series immediately prior to accepting the trainee level of the flexibly staffed position and will be subject to the provisions of 11.02.D. Employees that have not earned permanent status in a different job class immediately prior to accepting the trainee level of the flexibly staffed position will not have any return rights and will be separated from State service.
 - 2. An employee holding permanent status in a job class but serving a new probationary period in a job class in the same or "parallel" or closely related class series that is not a flexibly staffed position or series will be returned as described in Article 11.02.D after notice of failure to complete probation.
 - 3. There is no right of appeal of the failure to complete probation or the return procedures, agreed to in this Agreement and as outlined in Article 11.02.D, except to enforce their terms.
- C. Voluntary Demotion.

1. An employee holding permanent status in a class may request a voluntary demotion to a lower class in the same or "parallel" or closely related class series and shall retain permanent status in the lower class. Prior to making an appointment to a position in a lower class not in the same class series, the appointing authority may ask the Director of the Division of Personnel and Labor Relations to determine if the lower class is closely related and can be considered the same class series.
 2. An appointment to a lower class not in the same or closely related class series shall not be regarded as a voluntary demotion. In these circumstances, an employee will be selected from an eligible list and shall be subject to the applicable probationary period in the lower class and shall have a new merit anniversary date established.
- D. Demotion Through Reclassification. An employee whose position is reclassified downward and who receives a demotion as a result thereof shall be paid in accordance with Article 21.06.F, and the employee's status shall remain unchanged.
- E. Demotion in Lieu of Layoff. An employee who accepts a demotion in lieu of layoff will be subject to the provisions of Section 11.08.C. Such an employee retains primary layoff rights in the class from which he/she accepted demotion.

11.09 Resignation.

- A. Resignation from State Service. A bargaining unit member may resign from the State by presenting the resignation in writing to the member's first (1st) level supervisor outside the bargaining unit. To resign in good standing the bargaining unit member must give the supervisor at least ten (10) working days' notice. After such resignation has been presented it may be withdrawn only by written mutual agreement of the parties.
- B. Resignation from a Position. A bargaining unit member may resign from a position to accept appointment to another position in the classified service by submitting written notice to the member's first (1st) level supervisor outside the bargaining unit. A member may withdraw such resignation at any time prior to its effective date unless an appointment to the position has been made. To resign in good standing the bargaining unit member must give the first (1st) level supervisor outside the bargaining unit at least ten (10) working days' notice. This requirement may be waived, in writing, by the supervisor.

ARTICLE 12 - Layoff

12.01 General Provisions.

- A. The Employer may lay off an employee who holds a substitute appointment when the incumbent returns to the position, or by reason of abolition of the position, shortage of work or funds or other reasons outside of the employee's control which do not reflect discredit on the services of the employee. The name of such an employee shall remain on the layoff list for a period of three (3) years, except as otherwise provided in this Article.
- B. No permanent or probationary employee in the bargaining unit shall be laid off while there are emergency, nonpermanent or provisional personnel serving in the same agency and location in the same job class or other job classes performing work to which the permanent or probationary employee could reasonably be assigned consistent with the needs of the agency.
- C. Change in Status in Lieu of Layoff. An employee who is the incumbent of a position for which the status is changed (e.g., from full-time to part-time or seasonal) may elect to remain the incumbent of that position in lieu of layoff. Subject to the following provisions, the employee will retain layoff rights to the original position:
1. Upon a change in the status of an occupied position, the Employer will give at least ten (10) working days written notice of the effective date of layoff, including the position to which the employee has an election to demote and displace. Within ten (10) working days following a receipt of the layoff notice, the employee will advise the Employer of the decision either to exercise layoff rights or to accept a change in position status.
 2. If an employee elects to accept a change in position status, the employee shall be placed on the layoff list for the division, location, classification and position status originally held. The employee is eligible for appointment and recall rights associated with that layoff list and is subject to all conditions accompanying those rights. The employee may submit a statement restricting the conditions under which the employee will be available for recall. These conditions are limited to department and location and status of employment with one exception: in instances in which a classification has formal, distinct options under one (1) job class title and is so certified, the employee may restrict recall rights to specific options (other than from which laid off) provided the employee meets the minimum qualifications for those options. No other layoff rights will apply to employees in this situation.
- D. Reclassification. The parties agree that in instances in which a position is reclassified to another job class based on duties that have been, are, and will be performed by the current employee, the provisions of this Article regarding "Rights of Laid-Off Employees" shall not apply and the incumbent shall retain the reclassified position, provided only that there is no one on the organizational unit layoff list for the job class to which the subject position is to be classified. In the latter case, the provisions of this Article shall apply.

- E. For purposes of this Article, all positions in a class series covered by a flexible staffing agreement approved by the Division of Personnel and Labor Relations shall be treated as a single class for purposes of layoff and recall. In the event of a vacancy in any job classification covered by a flexible staffing agreement, any position so filled will be classified at the level of the employee recalled, effective on the date of recall. Reclassification of a filled position covered by an approved flexible staffing agreement shall not be considered a vacancy.

12.02 Organizational Units.

A. Structure.

1. The basic subdivision of agencies into organizational units for layoff purposes for positions in this bargaining unit shall be the following:
 - a. Division
 - b. Location
 - c. Job Classification Series
 - d. Position Status

“Location” is the geographic location of the selected position. For employees whose performance for the rating period immediately preceding the calendar year in which layoff is being considered has been determined to be mid-acceptable or higher, the location will be expanded concentrically to include a minimum of five (5) employees when there are no additional employees in the unit at that location. For employees who have not received an evaluation for the immediately preceding rating period, their performance will be presumed to be mid-acceptable or higher.

2. Organizational units shall not be structured for the purpose of constructively discharging specific employees.
3. Changes to these units may be approved by the Director of the Division of Personnel and Labor Relations for compelling business reasons and in accordance with 2 AAC 07.800.
4. Copies of requests for organizational units shall be provided to the Union upon receipt by the Division of Personnel and Labor Relations. Copies of organizational units subsequently approved will be provided to the Union simultaneously with notice to an agency.

- B. The Union may request the Commissioner of the Department of Administration to review the decision of the Director of the Division of Personnel and Labor Relations regarding changes to organizational units. Such requests shall be in writing and must be delivered to the Commissioner of the Department of Administration within ten (10) working days of receipt of a copy of an approved change. The Commissioner of the Department of Administration shall review the action of the Director of the Division of Personnel and Labor Relations and shall advise the Union of the results of that review in writing within ten (10) working days of receipt of the request. This shall be the sole means of reviewing organizational units for layoff except that the Union is not precluded from filing grievances alleging that organizational units have been structured for purposes of constructively discharging specific employees.

- C. The parties recognize that all affected employees must be informed of existing layoff units and changes to layoff units. Copies of approved organizational units must either be posted or copies distributed to notify affected employees of the recognition of layoff units. Upon request, each employee shall promptly be given a copy of the employee's approved organizational unit.
- D. An organizational unit must be approved at least thirty (30) calendar days before a notice of layoff is sent to any employee in the affected unit.

12.03 Order of Layoff.

A. In instances where computation of layoff seniority and the establishment of a layoff order are required, the Director of the Division of Personnel and Labor Relations shall certify a list to the appointing authority with a copy to the Union Headquarters.

B. Layoff seniority shall be computed based upon the employee's length of probationary/permanent time in the classified service.

C. 1. Once the Employer identifies the position it intends to vacate, the following procedure applies:

a. The employee with the least layoff seniority in the organizational unit may elect to displace the employee with the least layoff seniority in the next lower job class of the organizational unit provided that the employee in the higher job class has more layoff seniority.

b. If no employee in the next lower job class of the organizational unit has less layoff seniority than the employee being laid off, each lower job class shall be reviewed until the series is exhausted.

c. If an employee is displaced, the bumping procedures of section 12.03.C.1 shall apply.

If, after following this procedure, no employee was eligible to be displaced and there were fewer than five (5) employees in the next lower job class of the organizational unit, then section 12.03.C.2 shall apply.

2. The "location" will be expanded, normally concentrically, until five (5) employees in the next lower job class are included, providing that all employees within the job class at any location from which one (1) employee is required shall also be included in the expanded organizational unit. If no employee in the next lower job class of the expanded organizational unit has less layoff seniority than the employee being laid off, each lower job class shall be reviewed until the series is exhausted. If any employee in a lower job class at the expanded location has less layoff seniority and is displaced, the provisions of Section 12.03.C.1 shall apply.

Geographic expansion to obtain five (5) employees in the next lower job class shall not be considered a new or revised organizational unit within the meaning of this Agreement and shall not require approval, posting or notice for the thirty (30) calendar days as provided for elsewhere in this Article. Geographic

expansion will take into consideration similarity of duties and the needs of the State.

- D. Upon receipt of the layoff notice and the job class and location in which he or she may exercise an election, the employee to be laid off shall have ten (10) working days to exercise such election to displace an employee under the terms of Section 12.03.C. If electing to displace an employee in a lower classification in the series, he or she shall be placed at the appropriate range at his or her existing step and the merit anniversary date shall remain unchanged. Upon recall to the original job class, the employee's salary shall be adjusted upward, step for step, to the appropriate range. Each employee displaced by this procedure shall have the right to use this procedure.
- E. The order of layoff shall be:
1. Employees shall be listed in ascending order of layoff seniority. The employee with the least layoff seniority shall be laid off first (1st), the second employee second (2nd), etc.
 2. Super Seniority: Those Union Stewards entitled to super seniority under the terms of this Agreement shall head the seniority list and shall be the last to be laid off in the organizational unit.
 3. Ties: If two (2) or more employees have identical layoff seniority, the order of layoff shall be determined by the following:
 - a. Veterans' Preference per AS 39.25.159. A veteran shall be given preference for the position over a nonveteran.
 - b. Layoff seniority in the class series from which laid off.
 - c. If a case cannot be determined by the application of a or b, it shall be at the Employer's discretion to determine which of the two (2) or more employees to lay off.

12.04 Notification.

- A. In every case of the layoff of any permanent employee, the appointing authority shall make every effort to give written notice to the employee at least thirty (30) calendar days in advance of the effective date of the layoff. The appointing authority shall give at least ten (10) working days written notice.
- B. In every case of the layoff of a probationary employee, the appointing authority shall make every effort to give written notice to the employee at least ten (10) working days in advance of the effective date of the layoff.
- C. The employing department's personnel section shall be available to provide counseling and assistance to affected employees. This includes assistance in seeking other employment and advice as to the employee's rights and benefits.

12.05 Rights of Laid-Off Employees.

No provision of this Agreement shall be construed to interfere with the rights of injured workers pursuant to AS 39.25.158 and AS 23.40.075.

A. Certification and Recall

1. A laid-off employee shall be placed on the layoff list. When a vacancy occurs, the appointing authority may only appoint the one (1) employee highest on the layoff list for that organizational unit in that job class.
2. If no organizational unit layoff list exists or if such eligible employees decline appointment or are not available and the reason for filling a position is not a reclassification of a filled position pursuant to Section 12.01.D above, the appointing authority may only appoint the one (1) employee highest on the layoff list for that department in that job class.
3. If no departmental layoff list exists or if such eligible employees decline appointment or are not available, the appointing authority may only appoint the one (1) employee highest on the layoff list of other agencies for the same job class.
4. The order for return from layoff shall be the inverse of the order of layoff seniority. If two (2) or more laid-off employees in the same job class have identical layoff seniority, the job will be offered first:
 - a. to the employee who has been on layoff the longest; then
 - b. to the employee who meets the legal definition of veteran for purposes of veterans' preference.
 - c. In any case which cannot be determined by the application of a and b above, it shall be at management's discretion to determine which of the two (2) or more laid-off employees to recall.
5. The parties recognize the obligation to make good faith efforts to reemploy laid-off employees; it is not until all qualified laid-off employees have been offered the position one (1) at a time and are not available or otherwise decline the position that the Employer may fill the position pursuant to Article 10.
6. An employee may submit a statement restricting the conditions under which the employee will be available for recall. These conditions are limited to department, location and status of employment with one exception: in instances in which a job class has formal, distinct options under one (1) job class title and is so indicated, recall rights may be restricted to specific options (other than from which laid off) by the employee provided the employee meets the minimum qualifications for those options. The Employer will request information concerning restrictions of conditions of availability from each employee at the time of layoff. An employee who wishes to expand layoff rights from the job class to the job class series may designate up to three (3) job classes within the job class series (that will include the class from which laid off) at a level equal to or lower than the job class from which laid off.

In accordance with Article 10.02.C of this Agreement, a bargaining unit member may file a written statement at any time during the duration of eligibility modifying a prior statement as to conditions under which the bargaining unit member will be available for employment. No such change will be made without prior written notice to the Director of the Division of Personnel and Labor Relations.

7. If an employee does not file a written statement concerning restrictions of conditions of availability, the Employer will place the employee on layoff status for the department, location, classification and position status from which laid off.
8. A laid-off employee who receives a recall offer consistent with the employee's designated conditions of availability must accept that offer or lose all layoff rights.
9. For any recall from layoff, which entails a change of duty station, the employee shall be responsible for any travel or moving expenses incurred, unless otherwise authorized by the Employer.
10. Employees in layoff status may accept any nonpermanent appointment and still retain recall rights.
11. For purposes of applying for other job classes, a probationary or permanent employee in layoff status shall be treated as if still working.

B. Sick Leave and Health Benefits.

1. Return from layoff anytime within the three (3) year period restores the employee's entire sick leave balance.
2. A laid-off employee may pay the State's insurance coverage for the period of three (3) years while not employed.

12.06 Return of a Laid-Off Employee

An employee who has accepted a position for an interim period at a lower salary range than that from which laid off who is then returned to the salary range from which laid off, is entitled to a step placement based on creditable state service or such higher step as approved in advance by the Director of the Division of Personnel and Labor Relations.

12.07 Termination of Recall Rights

An employee's rights to be recalled from layoff will terminate when any of the following occur:

1. The employee resigns from state service;
2. The employee is appointed to a job class at the same or higher salary range than the job class from which laid off. In the event the employee fails to successfully complete the probationary period in the job class to which they are appointed, the employee shall have the remainder of their layoff rights returned. In no way shall this reinstatement extend the employee's layoff rights beyond three (3) years from the date they were laid off.

3. The employee fails to accept a recall offer consistent with the employee's designated conditions of availability for recall from layoff;
4. The employee has been in layoff status for three (3) years;
5. The employee has failed to respond to a written recall notice of the Director of the Division of Personnel and Labor Relations within the time limits specified below. Time limits shall be applied from the date the inquiry is sent provided that the last day for the receipt of the response shall be on a work day:
 - a. Fourteen (14) calendar days when the employee resides outside Alaska, or
 - b. Ten (10) calendar days when the employee resides within Alaska;
6. Has failed to promptly advise the Director of the Division of Personnel and Labor Relations in writing of the current mailing address. For this purpose, the return of a letter by the postal authorities, if properly addressed to the last address on record, shall be deemed sufficient grounds for removal.

12.08 Notice of Removal.

The Director of the Division of Personnel and Labor Relations shall provide written notice to a bargaining unit member permanently removed from the layoff list, except in those cases where removal is automatic, such as expiration of eligibility.

ARTICLE 13 - Contracting Out

13.01 Feasibility Studies.

- A. The Employer has the right at all times to analyze its operation for the purpose of identifying cost-saving opportunities, or improved services.
- B. When considering contracting out services, the agency will meet with the Union to discuss the need to conduct a feasibility study. If the parties do not meet or cannot agree, a feasibility study shall be conducted. Decisions to contract out shall be made only after the affected agency has conducted a written feasibility study or has written approval from the Union to waive the feasibility study. A feasibility study shall determine the potential costs and benefits that would result from contracting out the work in question. The study shall include all costs associated with contracting out the work in question including, but not limited to, wages, benefits, administrative costs, agency overhead, program supervision, and audits
- C.
 - 1. The Employer shall notify the Union of its final decision regarding contracting out. A copy of the study will be provided to the Union.
 - 2. If the Employer decides to contract out and such contracting out will result in the displacement of employees, the Employer shall provide the Union with no less than thirty (30) calendar days' notice that it intends to contract out bargaining unit work. The notification by the Employer to ASEA of the results of the feasibility study will include all information upon which the Employer based its decision to contract out the work, including but not limited to the total cost savings the Employer anticipates.
 - 3. The Union may then submit an alternate plan that is to include potential costs and benefits. During this thirty (30) day calendar period the Employer shall not release any bids and ASEA shall have the opportunity to submit an alternate plan that will be given fair consideration by the Employer. During this thirty (30) calendar day period, the Union shall have the opportunity to discuss the placement of affected employees.
- D. No employees shall be laid off and their work contracted out without meeting provision of 13.01.A above.

13.02 Effect on Employees.

- A. Once the Employer makes a decision to contract out work that will result in the displacement of employees, it will make a good faith effort to place employees elsewhere in state government in the following order of priority: 1) within the division, 2) within the department, or 3) within State service generally.
- B. In the event an employee must be displaced as a result of contracting out, such displacement shall be made in accordance with the layoff provisions of this Agreement.

13.03 Compliance.

- A. Upon request to the issuing agency, the Union is entitled to receive a copy of any audit performed on any State contract.

ARTICLE 14 - Notice of Discipline and Discharge

- A. Discipline and discharge shall be for just cause.
- B. In cases of discipline, suspension or demotion, the Employer shall notify the bargaining unit member and the Union of the reasons for the action concurrent with commencement of the action.
- C. The Employer agrees that with the exception of instances of egregious misconduct, including but not limited to gross disobedience, theft, fraud, dishonesty, chemical or alcohol intoxication, being under the influence of alcohol while on the job, physical misconduct, abusive or lewd behavior, the unauthorized possession, viewing or accessing of pornography or lewd materials at work or on State equipment, or abandonment of duties, or excessive force, serious maltreatment, abuse, or neglect of individuals in the care and custody of the State, all permanent employees shall be given two (2) weeks notice or two (2) weeks pay prior to discharge. The employee shall be notified in writing of the reasons for discharge at the time of or prior to separation. The Union shall be furnished with a copy of the reasons for discharge concurrent with commencement of the action.

ARTICLE 15 - Complaint Resolution Process

15.01 Individual Complaints.

- A. A complaint is defined as: (1) any controversy, dispute or disagreement arising between the Union or an employee(s) and the Employer that does not concern the application or interpretation of the terms of this agreement, or (2) is the appeal of the discharge, demotion or suspension of a probationary employee not holding permanent status in another classification or (3) is a controversy, dispute or disagreement with respect to long-term nonpermanent employment. Such matters are not included in the definition of grievances as set out in Article 16. The following shall be the sole means of settling complaints.
- B. 1. A complaint must be brought to the attention of the Employer, consistent with the procedures set forth in this Article, within fifteen (15) working days of the effective date of the action or inaction or the date the employee or long-term nonpermanent is made aware of such action or inaction, whichever is later. Deadlines for submission of a complaint at succeeding steps shall be counted from the date of email or fax receipt of a response from the Employer, or the date the response is due, whichever is earlier. Date of receipt of a complaint or response shall be the work day in which received if received before close of business or the following work day if received after close of business or on a weekend or holiday recognized in Article 24.
2. Complaints appealing a non-retention during the initial probationary period shall be filed at Step II.
- C. If the Employer fails to render a decision within the allotted time, the complaint may be advanced to the next step by the Union. Allotted time frames may be extended by mutual agreement.
- D. Complaints shall be processed on forms provided by the Employer and agreed to by the Employer and the Union.
- E. The complaint will state the facts from which it arises, the rules, procedures or conditions which should be considered and the remedy requested. Adjustments to complaints shall not conflict with this agreement or applicable written policies, laws or regulations. Appeals shall be in writing with a copy of the original complaint attached.
- F. Procedure.
1. Complaints will be presented on the provided forms by the employee, long-term nonpermanent, Union Steward, or Union Representative to the first (1st) level supervisor outside the bargaining unit. The complaint may be adjusted with or without the participation of the Union provided that the complainant has not been denied the opportunity of representation. The supervisor shall respond in writing to the complainant, Union Steward or Union Representative within ten (10) working days.

2. If the response is unsatisfactory, the Union Representative may appeal to the designated ~~Human Resource Manager/Specialist or designee~~ Employee Relations Program Manager/Human Resource Consultant ~~of the department or agency in which the complainant is employed~~ within ~~ten-fifteen (10-15)~~ 15 working days after the response from Step One is due or received. The designated Employee Relations Program Manager/Human Resource Consultant ~~Human Resource Manager/Specialist~~ shall respond in writing to the Union Representative within ~~fifteen-twenty (15-20)~~ 15 working days of receipt of the appeal.
3. Failing agreement, the appeal may be presented to the Commissioner of the Department of Administration with a courtesy copy to the general Labor Relations email account within fifteen (15) working days after the response from Step Two is due or received.
4. Upon request of the Union, a meeting and/or teleconference, between the complainant, the Union Representative and the Commissioner or his/her designee will be convened in order to attempt to resolve the complaint. The Steward may also be present at the meeting. The Commissioner shall respond in writing to the Union Representative within twenty (20) working days of receipt of the appeal or the date of the meeting, if held, whichever is later. The decision of the Commissioner of the Department of Administration is final and shall conclude the complaint appeal.

15.02 Group Complaints.

Complaints that involve more than one (1) complainant may be filed at the level which encompasses all known affected employees and long-term nonpermanents and, if necessary, may be appealed upward from that level until final settlement by the Commissioner of the Department of Administration. Time limits and procedures shall be as for individual complaints set out above.

15.03 Conversion to a Grievance.

If, in the opinion of the Union Representative, a matter initially filed as a complaint under Section 15.01.A does involve the application or interpretation of this Agreement, the complaint may be converted to a Step Two grievance at or before Step Three of the complaint procedure. The new grievance must be filed on a grievance form with copies of the complaint and all responses attached. Nothing in this section shall limit the Employer's right to raise questions of arbitrability.

ARTICLE 16 - Grievance – Arbitration

16.01 Procedure.

- A. A grievance shall be defined as any controversy or dispute involving the application or interpretation of the terms of this Agreement arising between the Union or an employee or employees and the Employer. The parties agree that they will promptly attempt to adjust all grievances arising between them. The Union or the aggrieved employee or employees shall use the following procedure as the sole means of settling grievances, except where alternative dispute resolution and appeal procedures have otherwise been agreed to in this Collective Bargaining Agreement, in which case the applicable alternative procedure shall be the exclusive appeal process available to the employee or employees.
- B. Any grievance must be brought to the attention of the Employer, consistent with the procedures set forth in this Article, within fifteen (15) working days of the effective date of the disputed action or inaction or the date the employee is made aware of the action or inaction, whichever is later. If the grievance is a result of an individual pay problem, an employee may submit a Notice of Pay Problem (NOPP) prior to a grievance filing. If an employee submitted a timely Notice of Pay Problem (NOPP), in accordance with Article 21, a grievance may be filed. To be considered, the grievance must be brought to the attention of the Employer within fifteen (15) working days of receipt of the Employer's response to the NOPP, or the date the response to the NOPP was due, whichever comes first.
- C. If the Employer fails to render a decision in the allotted time frame, the grievance may be advanced to the next step of the procedure by the Union.
- D. Allotted time frames may be extended by mutual agreement. Deadlines for submission of a grievance at Step One and above shall be counted from the date of receipt of an e-mail or fax response from the Employer, or the date the response is due, whichever is earlier. Date of receipt of a grievance or response shall be the work day in which received if received before close of business or the following work day if received after close of business or on a weekend or holiday recognized in Article 24. All mailed material relating to Steps One, Two and Three of a grievance shall be accomplished through a proof of receipt method.
- E. Grievances shall be processed on forms provided by the Employer. The grievance shall state the facts giving rise to the grievance, the provisions of the Agreement that have been violated, and the remedy requested.
- F. Grievances settled in writing at Step One found to be contradictory to statute or the Alaska Administrative Code may be reopened through a written notice to the Union within thirty (30) calendar days from the date of the written settlement. Grievances reopened in this manner shall proceed immediately to Step Two of the grievance procedure.
- G. Employee Option.

1. It is desired that differences between employees and supervisors be resolved as quickly and satisfactorily as possible. To achieve this goal, employees are encouraged to discuss such differences with their supervisor as soon as possible after they are aware of the event leading to the difference and prior to the filing of a grievance. Supervisors are similarly encouraged to be responsive to such discussion. Adjustments may not conflict with this Agreement or applicable written laws or regulations and shall not be precedential.
 2. Such discussion is at the employee's option. Regardless of whether this option is exercised, the time limits for filing a grievance shall be adhered to. This means that if the supervisor has not responded or if the employee is not satisfied with the supervisor's response, the employee must file a written grievance at Step One within the time limits set forth at Step One.
- H. Union Representatives may file an initial grievance at an advanced step of the grievance procedure with the prior approval of the Labor Relations Section of the Department of Administration.
- I. Grievance Steps.
1. Step One:

Within fifteen (15) working days of the disputed action or inaction, or the date the employee is made aware of the action or inaction, or if an Employee submitted a timely Notice of Pay Problem, within fifteen (15) working days of receipt of the Employer's response, whichever is later, the aggrieved employee, Union Representative or Steward may submit a grievance in writing to the employee's designated [Employee Relations Program Manager/Human Resource Consultant](#)~~Human Resource Manager~~. The [Employee Relations Program Manager /Human Resource Consultant](#) ~~Human Resource Manager~~ shall respond to the Union within fifteen (15) working days after the receipt of the appeal.
 2. Step Two:

Failing to settle the grievance at Step One, the appeal will be submitted by the Union Representative in writing to the Commissioner of the Department of Administration with a courtesy copy to the general Labor Relations email account within fifteen (15) working days after the response from Step One is due or received. The Commissioner of the Department of Administration shall respond in writing to the Union Representative within twenty (20) working days after receipt of the appeal.
 3. Step Three:

Any grievance which is not settled at Step Two may be submitted to arbitration for settlement. This demand for arbitration must be submitted to the Director of the Division of Personnel and Labor Relations in writing within twenty (20) working days after the response from Step Two is due or received. The Union shall state specifically which Article(s) and section(s) the State may have violated and the manner in which the violation is alleged to have occurred. The parties

will meet within twenty (20) calendar days after receipt of the demand for arbitration to strike names and make arrangements to contact the arbitrator about scheduling the hearing. ASEA will contact the State to strike for arbitrator.

16.02 Board of Arbitration.

- A. Within thirty (30) calendar days of the signing of this Agreement, the Employer and the Union will jointly request from the U.S. Federal Mediation and Conciliation Service (USFMCS) the names of thirty (30) qualified arbitrators. Each party may add up to three names to the list provided by the USFMCS. From the list of arbitrators, the Employer and the Union shall alternately strike from the list one name at a time until eleven (11) names remain on the list. This list of eleven (11) arbitrators shall be used by the parties to select individual arbitrators for hearings. This does not preclude the parties from compiling a mutually agreeable list without the assistance of USFMCS.
- B. For each hearing, the parties will select the arbitrator by alternately striking one (1) name at a time until only one (1) name remains on the list. The parties will alternate on striking the first (1st) name. The name of the arbitrator remaining on the list shall be accepted by the parties as the arbitrator, and arbitration shall commence on a mutually acceptable date. Alternatively, the parties may select an arbitrator by mutual agreement.
- C. Pre-Submission Meeting. No later than seven (7) working days prior to the scheduled arbitration meeting, the parties shall meet to exchange information and to attempt to agree on the phrasing of the question(s) to be submitted to the arbitrator. Each party shall inform the other of any witnesses it intends to present testimony at the hearing. It is the intention of the parties that post hearing briefs not normally be written. If either party believes it necessary to write a brief in the upcoming case, it will so inform the other party.

16.03 Authority of the Arbitrator

- A. Questions of procedural arbitrability shall be decided by the arbitrator. The arbitrator shall make a preliminary determination on the question of arbitrability. Once a determination is made that the matter is arbitrable or if such preliminary determination cannot reasonably be made, the arbitrator shall then proceed to hear the merits of the dispute.
- B. The parties agree that the decision or award of the arbitrator shall be final and binding. The arbitrator shall have no authority to rule contrary to, amend, add to, subtract from or eliminate any of the terms of this Agreement. The arbitrator shall have no power to modify a penalty or other management action except by finding a contractual violation.
- C. Expenses incident to the services of the arbitrator shall be borne as designated by the arbitrator. Normally, the losing party shall be expected to pay the arbitrator's expenses. If neither party can be considered the losing party, the arbitrator shall apportion expenses using the arbitration decision as a guide.
- D. Questions regarding discovery requests shall be decided by the arbitrator selected to hear the dispute.

16.04 Removal of Documents.

Documents implementing penalties which are later reversed shall be removed from the employee's personnel file. This does not preclude the maintenance of such records in the Labor Relations' files, provided such documents shall not be forwarded to potential employers within or outside State government.

16.05 Arbitration Witnesses.

A bargaining unit member who is required to appear as a witness for an arbitration proceeding for the Union shall be granted time off subject to the Union Business Leave Bank.

16.06 Disciplinary Grievance.

All grievances resulting from dismissal, demotion for cause, or a single suspension in excess of thirty (30) calendar days shall be entered into the procedure at Step Two. Such grievances shall be brought to the attention of the Employer within fifteen (15) working days of the action or knowledge thereof.

16.07 Class Action Grievances.

- A. A class action grievance is a situation which affects two (2) or more employees in the same manner.
- B. Class action grievances shall be submitted by the Union Representative at Step Two.
- C. Class action grievances must identify grievants by name, job class and department to the extent possible.

16.08 Grievance Mediation.

Nothing shall preclude the parties from mutually agreeing to submit any grievance(s) not resolved at Step Two to mediation.

Within thirty (30) calendar days of the signing of this Agreement, the Employer and the Union will jointly request from the U.S. Federal Mediation and Conciliation Service (USFMCS) the names of eleven (11) qualified mediators with experience in public sector mediation. This does not preclude the parties from compiling a mutually agreeable list without the assistance of the USFMCS.

An agreement to submit a grievance to mediation shall provide that:

- A. A member of the contractual mediation panel shall be selected to serve as mediator in the same manner as the selection of an arbitrator in section 16.02. If mediation does not resolve the dispute(s), the mediator shall not be selected to hear and decide the matter at Step Three (Arbitration).
- B. Neither party shall have more than three (3) persons, including the grievant, present at the mediation. Bargaining unit members appearing at the mediation shall be granted time off subject to the Union Business Leave Bank.
- C. The taking of oaths and the examination of witnesses shall not be permitted nor shall any written or electronic record of the proceeding be made. There shall be no formal evidentiary rules and the mediator shall decide any questions of procedure or of the admissibility of facts or arguments. Documents and other evidence submitted to the

mediator shall be returned to the presenting party at the conclusion of the mediation meetings.

- D. Comments, opinions, admissions and settlement offers of the parties or of the mediator shall not be admissible or in any manner referred to in any future arbitration, hearing or other matter.
- E. If the grievance(s) remain unresolved at the conclusion of the mediation meeting, the mediator will provide an oral statement to each party regarding how he/she would rule in the case based upon the evidence and argument presented.
- F. Expenses incident to the services of the mediator shall be borne equally by the Employer and the Union. Except for the expenses of the mediator, each party shall be responsible for its own costs and fees.
- G. Any mediation agreement shall provide for a specific extension of the time frames of Step Three (Arbitration) of this Article, which may be modified by mutual agreement. Except as extended under authority of this provision, all time frames shall apply.
- H. The parties may agree to such other provisions as they deem proper and necessary to facilitate resolution of the dispute.

16.09 Expedited Arbitration.

Nothing shall preclude the parties from mutually agreeing to submit any grievance(s) to expedited arbitration under the following procedures:

- A. The arbitrator(s) for expedited arbitration shall be chosen in the manner described in Section 16.02. The arbitrator chosen shall agree to the provisions herein or a new arbitrator shall be chosen.
- B. The parties shall submit the following to the arbitrator ten (10) working days before the hearing:
 - 1. A statement of the issue to which the parties stipulate.
 - 2. A listing of those facts to which the parties stipulate.
 - 3. All joint exhibits including a copy of the relevant collective bargaining agreement and a copy of this section.
 - 4. All arbitration decisions or other citations which either party considers relevant.
 - 5. Each party's statement of its position in the dispute. The parties shall agree to the nature of this statement in each dispute.
 - 6. The stipulation of the parties as to the length of time to be allocated to each party for presentation of its case including the direct and cross examination of witnesses. Normally the hearing shall be completed within one (1) day.

- C. The hearing shall be conducted by the arbitrator in whatever manner will most expeditiously permit full presentation of the evidence and arguments of the parties.
- D. There shall be no post hearing briefs.
- E. The award shall be rendered promptly by the arbitrator.
- F. The award shall be in writing and shall be signed by the arbitrator. If the arbitrator determines that an opinion is necessary, it shall be in summary form.
- G. Expenses incident to the services of the arbitrator shall be borne as designated by the arbitrator. Normally, the losing party shall be expected to pay the arbitrator's expenses. If neither party can be considered the losing party, the arbitrator shall apportion expenses using the arbitration decision as a guide.
- H. The parties may agree to modify or amend these provisions as they deem proper and necessary to facilitate resolution of a dispute.

ARTICLE 17 - Classification Reviews

The procedures in this Article shall be the sole and exclusive method for settling any dispute concerning classification matters.

17.01 Review of Individual Positions.

An employee may obtain a review of the classification of his/her position in the following manner:

- A. The Union shall submit a request for review, including that portion of a position description (PD) completed by the employee, to the Director of the Division of Personnel and Labor Relations. The request shall include information to explain the basis for the request. The parties are encouraged to resolve the dispute at the lowest level possible and/or submit an updated PD for review through the normal procedures.
- B. The completed PD will be reviewed in conjunction with existing class specifications for proper classification. Not later than thirty (30) calendar days following receipt of the request, the Director of the Division of Personnel and Labor Relations shall submit a written analysis to the Union.
- C. If the Director of Personnel and Labor Relations fails to respond within thirty (30) calendar days, or within thirty (30) calendar days of receipt of the Director's recommendation, the Union may advance the request to the Commissioner of the Department of Administration within ten (10) working days of the due date.
- D. Upon receiving the Union's written request, the Commissioner of the Department of Administration shall review the PD in conjunction with the existing class specifications for proper allocation and the Commissioner of the Department of Administration shall render a decision and notify both the Director and the Union within thirty (30) calendar days.
- E. Reallocations shall be made effective in accord with 2 AAC 07.035. The effective date of any monetary increase shall be the first (1st) day of the first (1st) regular pay period following the determination of the Director of the Division of Personnel and Labor Relations or Commissioner of the Department of Administration.
- F. No more than one (1) request may be processed for a position under this Article in any twelve (12) month period unless substantial changes in duties have occurred.
- G. If an individual is reclassified through the application of this Article, the employee may be granted early permanent status, subject to the provisions of Articles 11.02.A.1 and 11.02.A.2.

17.02 Class or Class Series Reviews.

- A. When the Union believes that inequities exist in a class series, between series, or in the salary ranges assigned to such series, the Union may submit a written request to the Director of the Division of Personnel and Labor Relations to meet and confer. Such written requests must be submitted between February 1st and March 31st. The State shall verify receipt of the request in writing within five (5) calendar days of Union submission. The State shall notify the employees and the Union concurrently when it begins the review.

- B. The Union shall have the opportunity to present its concerns, priorities, recommendations and justifications to the Director. The Union will be permitted access to and copies of all documents, surveys, and findings resulting from the study. The Union may request not more than three studies of significant substance under the terms of 17.02 in any twelve-month period. No more than one request may be processed for the same class or class series during the term of this Agreement. Failure to agree is not subject to the grievance-arbitration procedures of this Agreement.
- C. The Union may request reconsideration of the conclusions reached in this process by submitting such request in writing to the Commissioner of the Department of Administration, together with any additional information or argument, within ten (10) working days after receipt of the initial decision. The Commissioner's response shall be final and nonreviewable.

17.03 Access to Job Descriptions.

Bargaining Unit members shall have access to their position description through the On-line Position Description OPD system. In the event a bargaining unit member does not have access to the system, they may, upon request, be given a copy of their position description and class specification.

ARTICLE 18 - Performance Evaluations and Incentives

18.01 Performance Evaluations.

A.

1. Employees in probationary status shall receive written performance evaluations midway through and at the completion of the probationary period. Permanent employees not in probationary status in a job class shall receive written evaluations on their merit anniversary date. Evaluations shall be limited to a period no greater than the preceding twelve (12) months.

1.2. The Employer may transition to scheduling the completion of annual performance evaluation on the same date of all employees within an agency or subagency, rather than by merit/pay increment anniversary dates. In such event, the requirements that evaluations be on merit/pay anniversary dates will no longer apply, however, the requirements for probationary employees shall remain intact.

~~Permanent employees: Evaluations shall become due thirty (30) calendar days after the merit anniversary date. The Employer will make every effort to see that the evaluations are received in a timely manner.~~

Probationary employees: Evaluations shall become due fifteen (15) calendar days prior to the mid-probationary period and completion of probation. The Employer will make every effort to see that the evaluations are received in a timely manner.

2.3. The fact that an evaluation is late shall not delay the transition from probationary to permanent status.

3.4. It shall be the responsibility of the Employer to provide for uniformity of the application of standards by different rating officers by providing the "Rater's Guide" to raters who have the responsibility for evaluating bargaining unit members. The State will provide a copy of the "Rater's Guide" to the Union when revisions have been made.

4.5. Prior to signing and finalizing an evaluation, the rater will discuss the evaluation in draft form with the employee, in part to assist the employee in understanding the degree to which he or she is meeting the requirements of the position. Upon receipt the employee will be given two (2) working days to review the draft before any discussion of the evaluation with the rater is required. Employees will not be required to concur with the performance evaluation report.

5.6. An employee who is dissatisfied with any written performance evaluation may, within ten (10) working days of discussing the evaluation with the rater and prior to finalization of that evaluation, make a written rebuttal to it which will be attached to the evaluation and become a part of the employee's personnel record. This shall be the sole and exclusive remedy for such disputes, except in the following cases:

a. Employees who have not been awarded a performance incentive or pay increment, see article 18.03

b. Employees who have received a performance incentive or pay increment but have received a low acceptable or lower evaluation, per Article 18.04

B. Employees may request a written performance evaluation at reasonable intervals. Employees who receive low or unacceptable performance evaluations more than three (3) months prior to their anniversary date, may request and the Employer shall provide a re-evaluation of their performance prior to the anniversary date, provided the Employer believes the employee's performance has changed and the request was received at least two (2) months prior to the anniversary date.

Formatted: Numbered + Level: 1 + Numbering Style: a, b, c, ... + Start at: 1 + Alignment: Left + Aligned at: 1.26" + Indent at: 1.51"

- C. Nonpermanents will receive a written evaluation on completion of ninety (90) calendar days of employment or on termination, whichever comes first. The evaluation will be reviewed by the rater with the nonpermanent and become part of his or her record.
- D. Performance evaluations shall be placed in the bargaining unit member's personnel file.

18.02 Performance Incentives.

Performance incentives shall be based upon the appointing authority's evaluation of an employee's performance. ~~Unless the Employer takes an affirmative action to deny a merit increase through a performance evaluation, a~~ An employee shall be granted a ~~merit increase~~ performance incentive of one (1) step in the salary range, to be effective on their merit ~~pay increment anniversary date provided their most recent evaluation for the period covering part or all of the incentive provides for an overall performance evaluation of "mid-acceptable or better ser vice"~~, as of the employee's anniversary date.

~~A performance incentive of one (1) step in the salary range may be given to an employee who has received an overall performance evaluation of "mid-acceptable" or better on the employee's merit anniversary date. The first day of the pay period following completion of the probationary period shall constitute an employee's merit anniversary date and when the employee enters the pay range above the minimum rate of pay, the merit anniversary date shall be the first day of the pay period following completion of one (1) year of service in the position.~~

Steps (B), (C), (D), (E), (F) and (G) of the salary range shall be used for performance incentives where an employee has demonstrated satisfactory service of a progressively greater value to the State. ~~If a performance incentive is delayed due to an untimely performance evaluation, upon receipt of the evaluation with an annual rating of "mid-acceptable or better ser vice", the performance incentive will be granted retroactive to the em ployee's anniversary date.~~

The merit anniversary date does not change when a performance incentive is not granted. If the employee's standard of performance reaches mid-acceptable levels later in the merit year, the step increase may be granted effective the first day of any pay period and no change in the merit anniversary date will result.

When an employee's level of work performance becomes less than "mid-acceptable," an interim performance evaluation may be prepared. When such an evaluation is prepared, and the level of performance does not reach "mid-acceptable" within the subsequent thirty (30) day period, one (1) salary step may be withdrawn on first day of the pay period following completion of the thirty (30) day period, provided the employee's salary is not the entry step of the salary range. No more than one (1) salary step may be withdrawn in a twelve (12) month period. Before a personnel action withdrawing a salary step is prepared, the employee shall be notified in writing that the performance has not improved. If the employee's level of performance subsequently reaches "mid-acceptable," the salary step may be restored effective the first day of any pay period the month following preparation of a performance evaluation report confirming the improved level of performance. Employees on pay increments steps are not subject to the provisions of this rule.

The Employer will not establish a quota or percentage system to determine the number of performance incentive increases granted, but the parties agree to accept the standards (incorporated as Appendix A) and all subsequent written decisions issued by the neutral third (3rd) party pursuant to the performance incentive appeal process under this and prior agreements, for determining the granting or not granting of performance incentives.

18.03 Appeal Procedures.

In instances in which an employee has not been awarded a performance incentive or pay increment, the following shall be the sole and exclusive method for resolution:

State to Union Part of package January 24, 2022
Incorporated 20-GG-017

Level One:

The employee must appeal within fifteen (15) working days after receipt of a copy of the finalized evaluation which fails to grant a performance incentive. The appeal must be made in writing through the Union to the head of the employing department or agency, setting forth the reasons the employee

disagrees with the Employer's action, and the appeal must bear a postmark or date stamp showing that it has been timely filed. The head of the employing department or agency shall respond in writing within fifteen (15) working days after receipt of the appeal.

Level Two:

In the event the matter is not resolved at Level One, the Union may advance the appeal to the Director of the Division of Personnel and Labor Relations. The appeal must be submitted in writing within fifteen (15) working days after the response at Level One is due or received, whichever is earlier, and must include all evidence and arguments which the Union desires to be considered by the Director. The Director shall review the appeal in conjunction with the subject performance evaluation and any rebuttal thereto, the Level One appeal and response, pertinent related performance documents and statements, the employee's job description and class specification.

The Director shall respond to the appeal in writing within fifteen (15) working days after receipt of the Level Two appeal. If the Director grants the appeal, the Union and the employing department or agency shall be so notified concurrently, together with the rationale for the Director's determination.

Level Three:

In the event that the Director does not grant the appeal, the Union may advance the appeal to the neutral third (3rd) party selected in accordance with the procedures below by submitting a written request to the Director of the Division of Personnel and Labor Relations within fifteen (15) working days after receipt of the denial at Level Two. The request may include additional argument in support of the Union's position, to which the Director may make a written response; neither party shall submit new evidence in conjunction with these written statements. The Director shall forward copies of the Level Two and Three appeals and responses to the neutral third (3rd) party within fifteen (15) working days of receipt of the Union's request. The submission shall include all documents and written arguments reviewed by the Director at Level Two. Any dispute concerning the admissibility or relevance of performance related documents shall be resolved by the neutral third (3rd) party at such time as the appeal is forwarded for final decision.

The neutral third (3rd) party shall render a written decision and rationale within thirty (30) calendar days after receipt of the appeal. The decision shall be binding and nonreviewable. Costs associated with the neutral third (3rd) party shall be borne equally by the parties. The losing party shall be expected to pay the arbitrator's expenses.

Selection of a Neutral:

The Employer and the Union shall jointly select the neutral third (3rd) party. The neutral shall be selected by alternately striking names from the list of arbitrators provided for in the grievance-arbitration article until one (1) name remains and that individual shall be appointed.

18.04 Performance Evaluation Disputes.

A. An employee who is dissatisfied with a written performance evaluation which denies a performance incentive may obtain a review of that evaluation solely through the procedures established in Section 18.03 of this Article.

~~B. A bargaining unit member who is dissatisfied with a written performance evaluation which does not involve the denial of a performance incentive and the overall effectiveness on the job is rated mid-acceptable or higher, may make a written rebuttal which will be considered, attached to the evaluation, and become a part of the employee's personnel record. This shall be the sole and exclusive remedy for such disputes.~~

G.B. A bargaining unit member who is dissatisfied with a written performance evaluation which does not involve the denial of a performance incentive and the overall effectiveness on the job is low-acceptable or lower may obtain review of that evaluation through the following procedure, which shall be the sole and exclusive remedy for such disputes.

1. D. Pay Increments.

An employee who has served two years at Step G within the given range will advance to pay increment J, if at the time the employee becomes eligible for the increment, the employee's current annual rating by the employee's supervisor is rated as mid-acceptable in the "Overall" category.

Pay increments computed at the rate of 3.25% of the employee's base salary, shall be provided after an employee has remained in pay increment J within the given range for two years, and every two years thereafter, if, at the time the employee becomes eligible for the increment, the employee's current annual rating by the employee's supervisor is designated as "mid-acceptable or better service." If a pay increment is delayed due to an untimely performance evaluation, upon receipt of the evaluation with an annual rating of "mid-acceptable or better", the pay increment will be granted retroactive to the employees pay increment anniversary date.

The parties agree to re-open Article 21.03 for further bargaining within thirty (30) days of the legislature implementing a change to AS 39.27.020.

21.04 Swing and Graveyard Shift Differentials.

- A. All bargaining unit members who work a "swing" shift which starts between 12 noon and 7:59 p.m. are entitled to a three and three-quarters percent (3.75%) increase over their basic salary as established by this Article for all hours worked in each such shift.
- B. All bargaining unit members who work a "graveyard" shift which starts between 8 p.m. and 5:59 a.m. are entitled to a seven and one-half percent (7.5%) increase over their basic salary as established by this Article for all hours so worked in each such shift.
- C. All bargaining unit members who are assigned to work a shift originally assigned to another member shall be paid the appropriate shift differential which the other member would have been paid.
- D. Except in emergencies or situations in which the bargaining unit member agrees, shift assignment will not be changed without at least twenty (20) working days' notice prior to the effective date of the change. This does not preclude temporary changes in work hours as provided in Article 27.F (Shift Assignment).

21.05 Hazard Pay.

- A. From the effective date of this Agreement, all bargaining unit members who are required to work under dangerous conditions shall receive hazard pay of ~~7.5~~fifteen (15) percent in four (4) hour increments so worked.
- B. "Dangerous conditions" shall be defined as working at heights more than twenty-five (25) feet above the ground on towers, bridgework or antennae and handling explosives so designated by the Employer, transportation by and working under a helicopter, working from low-altitude, light fixed-wing aircraft (except pilots) and underwater diving.

In addition, dangerous conditions shall include boarding one vessel from another, working on vessels underneath overhead cranes, and performing sampling duties in holding tanks; unless such work is considered part of the normal duties as outlined in the Class Specifications for the position.

- C. Employees who were first hired by the Department of Fish and Game prior to July 1, 1996, and who are not covered by the Peace Officers' Retirement System whose duties necessitate a significant amount of field work, travel or exposure to hazardous working conditions shall receive hazard pay on an hour-for-hour basis except when performing any duty that may be enumerated in paragraph A.

The parties understand and agree that this is intended to apply to those positions that would have qualified under the standards found at 2 AAC 30.010 as published in Register 81, April 1982.

21.06 General Pay Administration.

- A. **Beginning Salary.** The minimum rate of pay in the assigned salary range for a class shall normally be paid upon initial appointment or hire. Any exception shall require the written approval of the Director of the Division of Personnel and Labor Relations prior to a bargaining unit member beginning employment in the class.
- B. **Rehire Employees.** If a current or former employee eligible for rehire is reappointed to a class in which the employee previously held permanent or probationary status or to a parallel class with prior approval of the Director of the Division of Personnel and Labor Relations under Article 11.06, the appointing authority may make the appointment at the same step in the salary range for the class which the employee occupied before separation provided the rehire occurs within a period of two (2) years. If appointed above the beginning step of the range, the employee's merit anniversary date shall be the first day of the pay period following completion of one (1) year of service after rehire. Pursuant to Article 11.06, if a current employee is rehired with prior approval of the Director of the Division of Personnel and Labor Relations in a lower class in the same class series, the employee may be paid at the step in the range of the lower class of positions that best reflects the earned step based on creditable state service or at such other step approved in advance of the first (1st) day of work by the Director of the Division of Personnel and Labor Relations.
- C. **Promoted Employees.**
1. An employee who has served one-half (1/2) or more of the time required to be considered for the next step increase shall, upon promotion to a position in a higher salary range in the bargaining unit, be placed at Step A of the higher range, or such other step as will provide an increase equivalent to two (2) steps, whichever is greater.
 2. An employee who has served less than one-half (1/2) of the time required to be considered for their next step increase shall, upon promotion to a new position in a higher salary range in the bargaining unit, be placed at Step A or such other step as will provide an increase of one (1) step, whichever is greater.

3. A promoted employee entering the new range at a pay increment shall be treated as if that increment had been earned in the new range and granted further increments accordingly.

4. Acting in a Higher Range

a. Any bargaining unit member who has received prior written delegation from his/her division director or designee to perform essentially all of the duties of a specific position in a higher range than the bargaining unit member's own for fifteen (15) or more consecutive calendar days shall, retroactive to the first (1st) day, be paid at the step of the higher range that would be appropriate in case of promotion. Upon commencement of duties in the bargaining unit member's regular position, the bargaining unit member will return to the normal rate of pay. Such delegation to act at the higher range shall not exceed sixty (60) calendar days, which may be extended by the Director of the Division of Personnel and Labor Relations.

In an emergency, the prior written delegation may be waived; however, written delegation by the division director or designee must be received within three (3) working days of the commencement of the duties of the higher range.

b. Accrued sick, annual and personal leave used or cashed out while in acting status shall be paid at the bargaining unit member's regular rate of pay.

c. It shall not be a violation of this Agreement, nor cause for disciplinary action, should a bargaining unit member decline to accept a prior written delegation of authority. Bargaining unit members will be informed of the likely length of a delegation of authority at the time it is offered.

d. The parties agree that within sixty (60) days of the signing of this Agreement they will establish a statewide Labor-Management Committee, subject to the provisions in Article 7 of this Agreement, to address the pay inequities experienced by employees who are directed to work on an emergency response assignment. This Committee will report regularly to the Commissioner of Administration and will offer a final report within six (6) months of the Committee formation. That report will include, at a minimum, a plan to compensate employees at a level commensurate with the duties that they perform.

5. For purposes of this subsection, "step" means both pay increments and performance steps.

D. Transferred Employee. An employee transferred from one (1) position to another position assigned to the same pay range and meeting the provisions of Article 11.07, shall be appointed at the same step rate held prior to transfer and the employee's merit anniversary date shall remain unchanged. Those moving to a position at the same pay range but not considered as a transfer shall have a new probationary period and merit anniversary date and the step in the range shall remain unchanged.

E. Demotions.

1. Demotions for Cause: An employee who is demoted pursuant to Article 11.08.A (Employment Status), shall enter the new range at no less than the step occupied in the higher range or such higher step as may be determined by the Director of the Division of Personnel and Labor Relations.
2. Voluntary Demotions: An employee who receives a voluntary demotion shall be paid at the step in the range of the lower class of positions that best reflects the earned step based on creditable State service, or at such higher step as may be determined by the Director of the Division of Personnel and Labor Relations. An employee who receives a voluntary demotion except through reclassification will continue to receive salary, performance and longevity increases received by other employees.
3. An employee who is appointed to a position in a lower job classification not in the same, parallel or closely related class series shall be paid at the step in the range of the lower class of positions that best reflects the earned step based on creditable State service. The employee shall serve a new probationary period in the lower class and shall have a new merit anniversary date established. (This sub-section was previously located in 21.06.B.)

F. Reallocation of Position or Class.

1. The merit anniversary date, status and salary step assignment of an employee whose position is reallocated from one (1) class to another class at the same salary range shall remain unchanged.
2. An employee occupying a position which is assigned to a lower pay range or reallocated to a classification which carries a lower pay range and who continues in the same position shall be treated as follows:
 - a. If the employee's current salary is the same as any step in the new range, the employee shall enter the new range at that step.
 - b. If the employee's current salary falls within the lower range but between steps, the employee's salary shall remain frozen until the employee's next merit anniversary date which results in the award of performance incentive, at which time the employee shall be placed at the next higher step.
 - c. If the employee's current salary exceeds the maximum of the new range, it shall remain frozen until it is the same as any step or falls between steps which appear on the salary schedule at the lower range, whichever is earlier. Salaries which are frozen shall not be subject to any salary increase including contractually negotiated adjustments or cost-of-living adjustments to the salary schedule.
 - d. For purposes of subsection F.2 (a, b, and c), employees whose positions are subject to a reallocation from one (1) class to another may not be paid at a pay increment unless they have earned such step in the class

occupied prior to the reallocation action or until said step is earned in the class to which the position is reallocated. Time served at the final step or a pay increment of the higher range shall be counted as time served at the final step or a pay increment of the lower range.

3. If an employee is reclassified to a higher salary range based upon the work already being performed, the merit anniversary date and the step placement remain unchanged. Employees that are at a pay increment will retain their pay increment at the new range, but will be required to serve two years before being eligible for the next pay increment. If an employee is reclassified to a higher salary range based upon work that they have not already been performing, the step placement will be determined in accordance with Article 21.06.C, Promoted Employees.

21.07 Pay Procedures.

A. Payday.

1. ~~As soon as feasible, p~~Payday shall be on a bi-weekly basis with direct deposit on ~~Thursday or Friday. If a payday falls on a holiday, then the last working day before such holiday shall be payday.~~ The parties agree that when a bi-weekly pay schedule is implemented, it will be done through a Letter of Agreement. Leave accrual and other conditions or benefits calculated based on a semi-monthly pay cycle will be recalculated to reflect conversion to a bi-weekly cycle. ~~Until such time, payday shall be the fifteenth (15th) day of the month and the last day of the month. New employees will sign up for direct deposit within thirty (30) days of employment.~~

2. If the Employer must stop payment and reissue ~~a check~~payment, the ~~check~~payment shall be considered timely ~~if mailed or~~ delivered within four (4) working days of Employer receipt of an Employee Notice of Pay Problem form, in which case penalty pay shall not apply.
3. If the bargaining unit member does not receive the ~~paycheck~~payment on payday or within twenty-four (24) hours of the close of business on payday, the bargaining unit member shall be entitled to penalty pay of forty dollars (\$40.00) for every day thereafter that the check is late, provided the bargaining unit member files notice with the Employer within the next regular day of business on forms provided by the Employer. Failure to provide notice to the Employer within

the specified time period will forfeit claim for penalty pay until such notice is given. ~~Bargaining unit members who have their checks mailed to their banks shall be entitled to penalty pay only from the date of written complaint to the Employer.~~

No payment of penalty pay on a single claim shall exceed forty dollars (\$40.00) per day nor total more than four hundred dollars (\$400.00).

C. Pay Shortages.

1. The Bargaining Unit member will notify the Employer of the pay shortage, in writing, using the Employer's Notice of Pay Problem (NOPP) form, within fifteen (15) working days from the day the Bargaining Unit member receiveds the payment.
2. The Employer will respond to the NOPP, in writing, within fifteen (15) working days following the receipt of a written NOPP. In the event a pay shortage is determined to exist, the Employer will issue payment for the shortage within fifteen (15) working days of the date of verification (response to the NOPP). Verified pay shortages of less than one hundred dollars (\$100) will be paid on the Bargaining Unit Member's next regularly scheduled paycheck. In the event a pay shortage greater than one hundred dollars (\$100) is not paid within fifteen (15) working days of the verification of a pay shortage, the penalties set forth in Section 21.07. A. 3 shall apply.

D. Termination Pay.

When an employee is terminated, their wages, less terminal leave and retirement contributions, become due immediately and shall be paid during business hours no later than the fifth (5th) working day after termination. When the employment is terminated by the employer, payment is due within three working days after the termination.

If not paid within the prescribed period, the penalties set forth in Section 21.07.A.2 shall apply, except that if the employee voluntarily terminates without two (2) weeks prior notice, the penalties set forth in section 21.07.A.2 shall not apply until after the following pay period.

21.08 Sea Duty Pay.

A. Definitions.

1. "Sea Duty" in this Agreement means a period longer than twenty-four (24) hours during which a bargaining unit member is engaged aboard a vessel and is living aboard a vessel (i.e., eating, sleeping, and working) while the vessel is away

from the bargaining unit member's port of engagement. The vessel will normally provide permanent and reasonable facilities for two (2) or more, including cabin, bunks, stove, cooking facilities, marine sanitation device, and fresh water.

2. "Shore Duty" in this Agreement is that time worked on shore while the vessel is tied up at a port.
 3. "Port of Engagement" in this Agreement means that place at which a bargaining unit member is, at the direction of the Employer, engaged aboard a vessel.
- B. Sea Duty Pay. This section shall apply to bargaining unit members who are assigned to Sea Duty for more than twenty-four (24) consecutive hours.
1. Bargaining unit members on Sea Duty will be assigned an uninterrupted sleep period of eight (8) hours in each twenty-four (24) hours.
 2. An uninterrupted meal period of not less than one-half (1/2), nor more than one (1) hour will be allowed for each meal, not to exceed three (3) meals per day.
 3. The hourly rate of pay while assigned to Sea Duty shall be computed by the following formula:
$$0.344 \times \text{annualized hourly rate} = \text{Sea Duty Hourly Rate of Pay}$$
 4. All hours of Sea Duty shall be considered hours worked, therefore on:
 - a. Regular Duty Day. The bargaining unit member will be paid eight (8) hours at the straight rate and sixteen (16) hours at the time and one-half (1.5) rate of Sea Duty Hourly Rate of Pay; and
 - b. Regular Day Off (6th and 7th day) and Non-Floating Holiday. The bargaining unit member will be paid eight (8) hours at the time and one-half (1.5) rate and sixteen (16) hours at the double-time rate of the Sea Duty Hourly Rate of Pay.
 5. The normal accrual rates for leave and credit for non-floating holidays shall not be changed by this section.
 6. Sea Duty Hourly Rates of Pay shall not be used in the computation of overtime rates when the bargaining unit member is not assigned to Sea Duty. Overtime pay during a workweek which includes Sea Duty shall be paid on the basis of the work performed during the overtime hours in accordance with 29 C.F.R. Sec 778.419.

21.09 Penny Rounding Differences

The parties recognize that the State Payroll System rounds payroll calculations to four decimal places. Therefore, calculations using rates in the Collective Bargaining Agreement may result in penny rounding differences. The parties accept that these differences do not require further payroll adjustment that would cause the employee to pay back penny rounding differences or for the Employer to add penny rounding differences to an employee's pay.

ARTICLE 22 - Overtime and Premium Pay

22.01 Workweek.

Except as noted below, the normal workweek shall consist of thirty-seven and one-half (37:30) hours in pay status from Sunday midnight to Sunday midnight within a maximum of five (5) days. All full-time employees shall be guaranteed a full workweek. Each bargaining unit member shall be entitled to two (2) consecutive days off each week. The parties may enter into a Letter of Agreement to address situations where the State needs an employee to work other than a normal workweek. The furlough provisions of 2 AAC 07.407 do not apply.

22.02 Overtime.

- A. Overtime eligibility shall be in accord with the Fair Labor Standards Act (FLSA) or by mutual agreement of the parties. Overtime entitlements shall be earned in accord with the FLSA unless otherwise provided in this Agreement.
- B. Overtime eligible bargaining unit members who regularly work a thirty-seven and one-half (37:30) hour workweek shall receive overtime for hours worked in excess of thirty-seven and one-half (37:30) hours of work per week at the rate of one and one-half (1.5) times the appropriate rate of pay. Overtime eligible bargaining unit members who are regularly assigned to a forty (40) hour workweek pursuant to letters of agreement establishing such alternate workweeks shall receive overtime after forty (40) hours of work at one and one-half (1.5) times the appropriate rate of pay.
- C. Overtime pay or other premium pay shall not be pyramided or duplicated. Hours paid at the rate of one and one-half (1.5) the appropriate rate of pay for any reason shall be credited only once in the calculation of hours in the workweek.
- D. Compensatory time entitlements may be established for overtime eligible bargaining unit members or groups of members in accord with the FLSA, by written mutual agreement of the parties.
- E. When an overtime eligible bargaining unit member is required to perform work by telephone after the completion of the member's scheduled work hours, the time worked will be recorded on the timesheet in fifteen (15) minute increments.
- F. The parties recognize that even though the normal workweek is 37:30 hours it may be necessary for overtime exempt employees to work extraordinary hours to meet the mission of the agency. A FLSA exempt employee who has been authorized to work additional hours may submit a written request to the Division Director for approval of a Flexible Time Plan to offset excessive hours of work with a reduction of normal work hours at a later time.

An approved Flexible Time Plan is subject to the following conditions:

- 1. An employee who works in excess of forty-five (45) hours in a workweek shall be eligible for flextime credits retroactive to forty (40) hours of work in the week.
- 2. Flextime credits shall accrue on one-half (0:30) hour increments.

3. No flextime credits may be earned for travel time.
 4. No more than ~~twelve-sixteen~~ (4216) hours of work per day may be counted toward the forty-five (45) hour per workweek threshold or toward flextime credits.
 5. Flextime credits may accumulate to a maximum of two hundred (200) hours.
 6. Flextime credits may not be used in advance of performance.
 7. Employees shall document on the time sheet all hours worked and all flextime used.
 8. Accrued flextime credits may be used at any time business permits with the prior approval of the supervisor in the same manner as personal leave. Requests to use accrued flextime shall not be unreasonably denied.
 9. Upon separation from State service or the bargaining unit, accrued flextime credits shall be cancelled without payment. Accrued flextime credits may not be cashed out.
 10. Disputes regarding the accrual or use of flextime credits are subject to the complaint procedures of Article 15.01.A. This shall be the sole and exclusive method of resolving such disputes.
11. ~~41.~~ Flextime credits shall be tracked, documented and usage certified by the employee's immediate supervisor each pay period.

22.03 Incidental Flextime Arrangements

From time to time, and with prior approval of the supervisor, an (overtime ineligible) employee may be absent for up to four (4) hours in a day for the following, without submitting a leave slip:

- Medical appointments for the employee or family member
- School events (this does not include regular or recurring events such as volunteering as a school aid)
- Weddings or funerals
- Care of family members (including child care conflicts)
- Other personal matters such as banking, insurance, and wellness matters (this does not include time for which the employee may receive compensation in the form of goods, fees, salary, or other payments from a third party).

Implementation of this section includes the expectation that there will be no reduction in the total number of productive hours. This section may not be used if the employee has flextime credits under Article 22.02(F) above. This section is not subject to the grievance procedure. Approval of time off requested under this section shall not be unreasonably denied.

22.034 Assignment of Overtime.

- A. It is the policy of the Employer to distribute overtime in the most economical manner. Insofar as possible, the Employer shall equalize the distribution of overtime among the bargaining unit members who desire to work overtime, and those not desiring to work

overtime shall preferably not be assigned to work overtime. This does not preclude the Employer from assigning and requiring overtime work of bargaining unit members based on reasons such as the qualifications of the members and the amount of work to be accomplished.

- B. A record of actual compensated overtime hours worked by the overtime eligible bargaining unit members will be maintained and made available for reasonable inspection by appropriate Union representatives.
- C. In conjunction with subsection A above, and provided that the Employer received at least a two (2) hour notice prior to the beginning of the shift to be filled the following will occur before requiring mandatory overtime; the Employer will consider and utilize reasonable alternatives including, but not limited to maintaining and utilizing a Voluntary Work Assignment Call List and rotating overtime assignments through the Voluntary Work Assignment Call List. In the event an employee fails to provide a two (2) hour notice, the Employer shall endeavor to utilize qualified volunteers and shall accept a qualified volunteer for the overtime assignment.

The Employer will maintain a roster of all employees available for mandatory overtime assignments. Mandatory overtime assignments shall be rotated equitably. An employee who has worked voluntary overtime of at least four (4) hours in duration within the past thirty (30) calendar days will have the right to one (1) pass on a mandatory overtime requirement. If the employee is on an approved alternate workweek agreement and working 12:30 hours per day, if they have worked voluntary overtime of at least three and a half (3:30) hours in duration within the past thirty (30) calendar days will have the right to one (1) pass on a mandatory overtime requirement. In the event that all employees on the mandatory overtime list decline, the Employer has the right to refuse to accept the declination by the employee.

22.045 Recall.

- A. Overtime Eligible Bargaining Unit Members.
 - 1. If an overtime eligible bargaining unit member is called back to work within four (4) hours after the completion of the member's shift, the member shall be paid recall premium pay at a rate of one and one-half (1.5) times the bargaining unit member's regular rate of pay for actual hours worked. Regular rate of pay is the applicable rate for regularly scheduled work.
 - 2. If an overtime eligible bargaining unit member is recalled later than four (4) hours after completion of the member's regular shift, the member shall be entitled to a minimum of four (4) hours recall premium pay at a rate of one and one-half (1.5) times the bargaining unit member's appropriate rate of pay (including the appropriate shift differential). Should total call-back hours worked exceed four (4) hours, an overtime eligible bargaining unit member shall receive recall premium pay at a rate of one and one-half (1.5) times the bargaining unit member's appropriate rate of pay (including the appropriate shift differential) for all such hours worked.
 - 3. The recall provisions of A.1 and A.2 do not apply in the following cases:

April 8, 2022 as presented and revised at the table

- a. if the additional work assignment has been scheduled prior to the bargaining unit member's leaving the work site at the end of the shift;
- b. if the employee who is contacted to return to work is on standby when contacted to return to work;
- c. if the employee has volunteered to be called for overtime during a specified pay period;
- d. if the employee is not required to report to a work station or other location in order to perform the work.

In such cases, all hours worked will be paid at the appropriate rate of pay.

B. Overtime Ineligible Bargaining Unit Members.

It is necessary from time-to-time to recall bargaining unit members who are not eligible for overtime and the Union agrees that an employee obligation exists. Work performed during recall shall be subject to the provisions of 22.02.F.

22.056 Standby.

- A. When employees are ordered to be available for immediate recall and either to remain at home or periodically to report their whereabouts, their names shall be placed on a standby roster. Assignments to a standby roster shall be, insofar as possible, equitably rotated among employees normally required to perform the anticipated duties, provided that nothing in this Article shall preclude the assignment of an individual to a standby roster whose knowledge makes that individual the most logical choice for the anticipated tasks. Every effort shall be made to avoid assigning employees to standby on their regularly assigned day off.

B. Standby Pay

1. Except as provided below, Aan amount equal to ten percent (10%) of seven and one-half (7.5) times the employee's hourly base salary will be paid to an employee who is assigned to a standby roster for each calendar day or portion of a calendar day of such assignment. The daily rate of compensation shall include geographic and shift pay as appropriate.
2. Effective the first pay period in September 2022, bBargaining Uunit Mmembers in the Adult Probation Officer job class series in the Department of Corrections who are assigned to a standby roster shall be paid an amount equal to two (2) hours of pay at the regular straight-time hourly rate for each calendar day or portion of a calendar day of such assignment. When assigned to standby on their RDO due to an emergency, bargaining unit members in the above-referenced job class series shall receive an amount equal to three (3) hours of pay at the regular straight-time rate. If bargaining unit members in the above-referenced job class series are assigned to a standby roster on a non-floating holiday they shall receive an amount equal to four (4) hours pay at the member's straight-time hourly rate. The daily rate of compensation shall include geographic and shift pay as appropriate.

22.067 Holiday Pay.

- A. Holidays not worked by the employee shall be counted as time in pay status for the purpose of fulfilling the minimum workweek requirement.
- B. All hours worked on a holiday shall be paid at the holiday premium rate of time and one-half (1.5) the appropriate pay rate, in addition to seven and one-half (7:30) hours straight time holiday pay. Hours that an employee works and for which he/she is compensated at the holiday premium rate will be considered hours worked for purposes of computing overtime eligibility under Article 22.02. Hours worked on a holiday shall be credited only once in the calculation of hours in the workweek. Exclusive of Holiday Pay provided for by Article 24.01, no single hour worked at any time in a work period will be paid at greater than time and one-half (1.5).

All hours worked on any one shift that begins or ends between 12:01 a.m. and midnight on a designated holiday, will be paid in accordance with this article. When an employee is regularly scheduled to work two shifts that cross over a designated holiday, only the first shift will be paid at the holiday premium rate. If the employee observes a designated holiday by not working one of the shifts, there will be no entitlement to holiday premium pay for hours worked during the other shift.

22.078 Continuous Hours of Work.

A bargaining unit member may not be required to work in excess of two (2) consecutive regular shifts, not to exceed sixteen (16) hours within one (1) twenty-four (24) hour period except in an emergency.

A nurse as defined in AS 18.20.499(3), may not be required to work in excess of fourteen (14) hours within a twenty-four (24) hour period except in an emergency, after which the nurse must be afforded at least a ten (10) hour break. Any exceptions shall be in accordance with AS18.20.400-18.20.499

22.089 Overtime Pay Calculations.

When a bargaining unit member who is eligible to receive overtime works a shift that qualifies for shift differential pay, the Employer shall compute overtime on the basis of the following formula:

$$(\text{base rate} + \text{shift differential}) \times 1.5$$

22.0910 Weekend Differential Pay.

Overtime eligible Class One employees working in institutions with continuous operations shall be paid a premium of one dollar (\$1.00) per hour for each hour worked on the calendar days of Saturday and Sunday. Any partial hour worked shall be prorated consistent with the time keeping increment in 22.02.E. The Employer shall include this type of differential pay in the computation of overtime.

22.101 Seasonal Overtime.

Overtime worked by seasonal employees shall be compensated at either time and one-half (1.5) of their base hourly salary or as seasonal compensatory time which would accrue at time and one-half (1.5) the employee's straight time hourly rate for each hour worked. The employee may opt for either form of compensation, however, once the employee has elected one form he/she cannot select a different option until the next pay period. Seasonal compensatory time must be used within the calendar year in which accrued and shall be treated as if at work for service and benefits purposes except for Health Insurance. If not used within the calendar year, or if the employee leaves the seasonal position, the accrued seasonal compensatory time shall be cashed out to the employee at time and one-half (1.5) the employee's base hourly wage notwithstanding the selected option.

22.142 Premium pay

A premium pay of one dollar and fifty cents (\$1.50) per hour (or \$1.50 x 1.5 for overtime) for time worked, may be paid as assignment incentive premium pay. To qualify for the assignment incentive premium pay, the Director of the Division of Personnel and Labor Relations, must approve eligibility for the pay, in writing. The assignment incentive premium pay shall not be approved unless the department can establish recruitment or retention difficulties. This premium pay does not affect the employee's eligibility for any applicable shift differentials or other premium pay; differentials or other premium pay shall be calculated using the employee's basic rate of pay, not including the assignment incentive Premium pay.

ARTICLE 23 - Meal and Relief Periods

23.01 Meal Break.

A lunch break of not less than thirty (30) minutes nor more than one (1) hour shall be allowed approximately midway of each shift.

- A. An additional lunch period of thirty (30) minutes shall be allowed when a bargaining unit member works continuously for two (2) hours or more in addition to the normal shift.
- B. Such additional lunch period shall be considered as time worked. If the lunch period was taken within the hours reported on the bargaining unit member's timesheet, no other action is required. If the lunch period was not taken, it must be notated in the comment section of the timesheet. To be paid, the additional meal break must be claimed within thirty (30) calendar days from the end of the pay period in which it was earned.
- C. In the event that a bargaining unit member is recalled within two (2) hours of the termination of their normal shift, the bargaining unit member shall be granted a meal break in accordance with the other provisions of this Article.

- C. When working other than the normal shift, a fifteen (15) minute paid relief period shall be allowed a bargaining unit member during any work period of at least four (4) hours duration, or as otherwise agreed.

- d. Accrual and use of floating holidays will be consistent with the leave and holiday provisions of the collective bargaining agreement.

~~2. An employee shall not accrue annual leave until completion of ninety (90) calendar days of full-time service, whereupon the employee shall be credited with accrual as provided in Paragraph 1 above, retroactive to the date of appointment.~~

- B. 1. Each full-time employee shall take at least seventy-five (75) hours of annual leave during each calendar period (leave year) beginning January 1st and ending December 31st of the same year except that employees exempted from 25.01.F of this Article must use one hundred twelve and one-half (112:30) hours. Up to 37:30 hours of annual leave cashed in under 25.01.C of this Article will be applied to the employee's mandatory leave usage requirement. Seasonal employees of less than twelve (12) months duration shall be exempt from mandatory leave. Flextime credits earned in accordance with Article 22.02.F may not be used until the member has satisfied the mandatory leave usage requirements. Part-time employees shall have the mandatory leave requirement prorated based upon the number of hours the employee is regularly scheduled to work.
2. Any employee who does not use this leave shall have the unused portion deducted from their leave account balance as of December 31st.
3. Should the Employer refuse the employee any opportunity to take the

required hours of annual leave during the leave year, any unused portion of the mandatory leave shall be deducted from the employee's leave balance at the end of the leave year and paid in cash.

- C. Employees having in excess of thirty-seven and one-half (37:30) hours of annual leave shall, upon written request to the Employer, receive payment for accrued but unused annual leave. In no event shall a payment be made that reduces the employee's leave balance below thirty-seven and one-half (37:30) hours. The employee's leave balance shall be reduced by the number of hours for which payment is made. Payment shall be made on the subsequent payroll warrant, subject to AS 37.05.510. Employees will be limited to no more than six (6) leave cash-in requests per calendar year.
- D. Annual leave may be taken by an employee at any time business permits, upon prior permission by the head of the department or agency for whom the employee works. Such approval may be delegated. An employee's request for annual leave will not be unreasonably denied.
- E. Terminal Leave. Any employee who is separated from State service for any reason including layoff shall receive within seven (7) days a lump sum payment for the number of hours of accrued annual leave at the employee's annualized hourly rate of pay, less any deduction to reimburse the Employer for stolen, lost, damaged, or unreturned State property.
- F. Maximum Accumulation of Leave
Effective December 16, 2013, annual leave accrued but not used shall accumulate to a maximum of 1000 hours on December 31st of any calendar year. A department head may permit an employee to carry over more than 1000 hours of accrued annual leave if the employee was unable to reduce their accrued hours because the member: (1) was required to work as a result of fire, flood, or other extensive emergency; or (2) was assigned work of a priority or critical nature over a period of time or (3) was denied leave by their supervisor.

By June 1 of each calendar year, those employees whose annual leave balance exceeds, or could exceed by December 31st, the annual leave accumulation maximum of 1000 hours must submit to their supervisor for approval a plan to use annual leave to bring their balance below the accumulation maximum. If the employee fails to submit a plan, or adhere to an approved plan, the employee's division director will order the employee to take sufficient annual leave to reduce the employee's balance or potential balance on December 31st below the accumulation maximum.

Members who have an annual leave balance that exceed four hundred (400) hours on December 16, 2013, shall be exempt from this provision until such time as their annual leave balance equals 400 hours or less on December 16 the first day of the first pay period beginning in January of any calendar year.

Employees on approved sick leave shall receive payment at their current salary to the extent that they have sick leave accrued.

- B. Sick leave accrued but not used shall accumulate until termination of employment. Upon the death of an employee, any unused sick leave balance shall be paid in cash to the employee's beneficiaries at the employee's current ~~annualized~~ hourly rate of pay.
- C. Availability of Sick Leave. Sick leave shall be granted by the department or agency only in the following instances:
1. At the discretion of the supervisor, an employee may be granted sick leave for a medical or dental appointment or illness or injury of the employee. The employee may be required to support said absence with a physician's certificate. Employees will not be required to provide a physician's certificate for illness of less than three (3) days unless improper use is suspected.
 2. At the discretion of the supervisor, an employee may be granted sick leave for a medical or dental appointment or illness or injury within the employee's immediate family that requires the attendance of the employee or where the employee's presence on the job could jeopardize the health of fellow employees. Under these conditions the employee may with the consent of the employee's supervisor use sick leave with pay the same as if the employee were personally under a medical disability; however, such leave may not be granted unless the supervisor is satisfied that the absence of the employee is required to attend the dependent with the medical appointment, illness or disability. The supervisor may require a doctor's certification showing that the employee is required to be in attendance.
 3. Upon the death of a spouse or other member of the immediate family of an employee, the employee may use not more than five (5) working days of accrued sick leave with pay to attend the services. Under extenuating circumstances, a supervisor may, at his/her discretion, approve the use of additional days of accrued sick leave for this purpose. Immediate family for purposes of funeral leave means the employee's spouse, children, stepchildren, mother, father, mother-in-law, father-in-law, sister, brother, grandparent or grandchild.
 4. In each case of absence due to illness or injury it shall be the responsibility of the employee to notify the employee's supervisor of the absence immediately and to report periodically the anticipated duration of the absence. Failure to notify the supervisor may result in disciplinary action, up to and including termination.
 5. At the discretion of the supervisor, an employee may be granted

- sick leave when requested by local medical officials to respond to an emergency for the purpose of donating blood.
- D. Employees shall be allowed to donate annual leave to and receive donations of annual or personal leave from employees in this unit or those represented by a different union or noncovered employees subject to the following conditions:
1. Each employee wishing to donate annual/personal leave will fill out, date and sign a leaveslip showing the amount of leave to be donated subject to a minimum of two (2) hours. The leave slip will have written along the bottom, or in the space provided, "Leave donated to (employee name, Employee ID number)."
 2. Donors will submit leave slips to the Division of ~~Personnel and Labor Relations~~ Finance Payroll Supervisor for the department in which the donee is employed. Leave donations will be posted in date and order received to the recipient's donated leave account as needed. Donations will not be posted for use in a pay period prior to that in which received. Once an employee returns to work, if after three pay periods in which the donee does not require the use of donated leave, the leave donated and not used by the donee shall be returned to the donor. A report of those who requested and received donated leave, as well as the hours used will be generated and electronically sent to the Union every pay period.
 3. The Employer will convert the donated leave to dollars at the ~~annualized~~-hourly rate of the donor. That dollar amount will be converted to leave at the ~~annualized~~-hourly rate of the recipient and the appropriate hours of leave will be added to the recipient's donated leave account for use as sick leave. The total amount of leave credited to the recipient's donated leave account shall not exceed 300 hours during the life of the current agreement. Donated leave may not be used until all accrued sick and annual or personal leave has been exhausted.
 4. Once the Employer has completed the above process, the State will not be obligated for further processing or liabilities resulting therefrom. Once the donation has been transferred to the recipient, the donation cannot be withdrawn, modified or otherwise returned to the donor's leave account except as provided under Article 25.02.D.2. Leave donations will not reduce the mandatory leave usage requirements established in the collective bargaining agreement. Upon the death of an employee, any unused donated leave shall be paid in cash to the employee's beneficiaries at the employee's ~~annualized~~-hourly rate.

25.03 Extended Absence for Disability, Illness or Injury.

Upon application by an employee who has exhausted accrued sick and annual leave, a leave of absence without pay may be granted by an appointing authority for disability because of sickness or injury. Such leave shall be limited to one (1) month

for each full month of service to a maximum of twenty-four (24) months. The appointing authority may periodically require that the employee submit a certificate from the attending physician or from a designated physician. If the certificate does not clearly show sufficient disability to preclude the employee from performing the employee's duties or if the employee does not provide the required certificate, the appointing authority may cancel the leave and require the employee to report to duty on a specified date.

25.04 Absence and Payment for Court Leave.

- A. An employee or long-term nonpermanent who is called to serve as a juror or subpoenaed as a witness shall be entitled to court leave. Employees or long-term nonpermanents who work the graveyard or swing shift shall be placed on day shift for the day or the duration of the time the employee is scheduled to appear, whichever is longer, provided the Employer receives twenty-four (24) hours' notice.
- B. Written documents such as a subpoena, marshal's statement of attendance and compensation for services, per diem and travel, may be required to support a request for court leave.
- C. Employees shall turn over to their departments all monies received from the court as compensation for service and in turn shall be paid their current salary while on court leave.

25.05 Nonwar Military Duty Absence and Payment.

An employee who is required to report for a military physical examination is entitled to a leave of absence without loss of pay, time or performance rating. The leave of absence shall not exceed three (2) working days.

An employee who is a member of a reserve or auxiliary component of the United States Armed Forces is entitled to a leave of absence without loss of pay, time or performance rating without regard to other compensation earned during that period on all days during which the employee is ordered to training duty, as distinguished from active duty, with troops or at field exercises, or for instruction, or when under direct military control in the performance of a search and rescue mission. The leave of absence may not exceed sixteen and one-half (16.5) working days in any twelve (12) month period, beginning January 1st and ending December 31st.

An employee on annual leave shall not go on military leave without returning to duty unless military leave is approved prior to commencement of annual leave.

25.06 Time Off to Vote.

The Employer shall provide reasonable and necessary time off for bargaining unit members to vote in local, municipal, borough, State and Federal elections, provided that the member is unable to vote outside working hours because of actions of the Employer.

25.07 Other Approved Absence.

Incorporated LOA 20-GG-017

be granted a leave of absence without pay. Continuous service credit shall not accrue during the period of leave.

Except as otherwise provided above, the provisions of Personnel Memorandum 17-1 (incorporated as Appendix B), will be in effect and it is hereby incorporated by reference.

25.08 Family Leave.

- A. The parties mutually agree that the provisions of the Federal Family and Medical Leave Act (FMLA) and the Alaska Family Leave Act (AFLA) apply to bargaining unit members.
- B. When taking leave under the provisions of FMLA or AFLA ("Family Leave"), a qualified bargaining unit member must exhaust all accrued sick, annual and donated leave (in that order) before entering leave without pay, except that an employee may elect to retain up to five (5) days of annual leave in his or her account for use upon return from leave taken under this provision.
- C. The period for utilizing family leave entitlements shall commence with the first day of Family Leave. A bargaining unit member may be required to recertify the qualifying reason for remaining on Family Leave. A bargaining unit member may be required to provide a fit-for-duty statement prior to returning to work.
- D. When taking Family Leave due to pregnancy, childbirth, foster care placement or adoption, the leave entitlement must be taken consecutively. The first level supervisor outside the bargaining unit and the bargaining unit member may agree to Family Leave on an intermittent or reduced schedule basis due to pregnancy, childbirth, foster care placement, or adoption; however, an intermittent or reduced schedule does not extend the period of entitlement.
- E. If the necessity for Family Leave is foreseeable, the bargaining unit member shall provide the bargaining unit member's department or agency with reasonable notice of the need for Family Leave.
- F. In the case of planned treatment or supervision, the employee shall make a reasonable effort to schedule the treatment or supervision, subject to the approval of the health care provider, so as not to disrupt unduly the department or agency operations.

25.09 Union Business Leave Bank.

- A. There is hereby created a Union Business Leave Bank which shall be administered by the State with a monthly report of the balance and withdrawals provided to the Union. The Bank shall be established by a transfer, upon written authorization from the member, of seven and one-half (7:30) hours of annual leave from each new bargaining unit member. Bargaining unit members shall donate seven and one-half (7:30) hours of annual leave when the bargaining unit member's balance is at least seven and one-half (7:30) hours or more and such leave shall be transferred to the Bank.

In addition, any bargaining unit member at his/her option may transfer annual

State to Union

leave in one (1) hour increments to the Bank. Transfers may be made at any time during the duration of the Agreement with no maximum limit of the number of increments except that a bargaining unit member may not transfer more increments of annual leave than are posted to the member's annual leave balance at the time of authorization. The bargaining unit member's leave balance will be reduced by the amount of leave transferred to the Bank.

- B. Leave assessments from new bargaining unit members to the unit and donated annual leave will be converted to its dollar value at the rate of pay of the bargaining unit member from whom the leave was received. Those dollars (with benefit costs) shall be placed in the Union Business Leave Bank.

When business leave is used in accordance with the other provisions of this Section, dollars will be withdrawn from the Union Business Leave Bank equal to the hourly rate (with benefit costs) of the bargaining unit member utilizing the leave times the hours of leave taken.

- C. 1. Withdrawal requests from the Bank will be for purposes of compensation of bargaining unit members for absences due to contract negotiations and formulation, meetings, conventions, training sponsored by the Union, attendance at arbitration or other hearings as witnesses for the Union, and other like purposes as may be determined by the Union. Requests for withdrawals from the Bank shall be made only by the Executive Director of the Union or such other person as designated by the Union to the appropriate Departmental Officer with a copy to the Director of the Division of Personnel and Labor Relations on forms mutually agreed to by the parties. The original leave slip shall be presented to the Union by the bargaining unit member and must accompany all requests for withdrawal from the Bank. All annual leave transferred to the Bank is final and not recoverable for recredit to an individual's annual leave account.
2. The purposes listed in C.1 shall first be met through use of the Union Leave Bank. Should there be insufficient money available through the leave bank, the Employer shall approve annual leave or leave without pay for purposes listed in C.1.
- D. 1. The release of bargaining unit members for Union Business Leave shall be handled on the same basis as release from duty for annual leave. Such approval shall not be unreasonably withheld by the supervisor. The Union may authorize business leave in excess of regularly scheduled hours; however, excess business leave hours will not be included for the purpose of calculating overtime.
2. In instances of contract negotiations and other highly critical matters of long duration, the Employer agrees that every reasonable effort will be made to release bargaining unit members from their duties; however, the parties recognize that a situation may develop such that a bargaining unit member may not reasonably be released.

26.01 (C) Rate of Accrual for Employees Hired on or after July 1, 2013. Personal leave accrued by an employee during each pay period shall be converted ~~monthly~~~~bi-weekly~~ to a cash value by multiplying the hours accrued during the pay period in that month by the employee's ~~annualized~~ hourly rate of pay for the pay period. The resulting amount shall be added to the cash value amounts calculated for previous pay periods. The total of all the cash values is the cash value of the employee's personal leave balance.

26.01 (D) Maximum Accumulation of Leave

Personal leave accrued but not used shall accumulate to a maximum of 1000 hours on December 31 of any calendar year. A department head may permit an employee to carry over more than 1000 hours of accrued personal leave if the employee was unable to reduce their accrued hours because the member:

- (1) was required to work as a result of fire, flood, or other extensive emergency; or
- (2) was assigned work of a priority or critical nature over a period of time or (3) was denied leave by their supervisor.

By June 1 of each calendar year, those employees whose personal leave balance exceeds, or could exceed by December 31, the personal leave accumulation maximum of 1000 hours must submit to their supervisor for approval a plan to use personal leave to bring their balance below the accumulation maximum. If the employee fails to submit a plan, or adhere to an approved plan, the employee's division director will order the employee to take sufficient personal leave to reduce the employee's balance or potential balance on December 31 below the accumulation maximum.

26.03 Medical Leave Bank and Transfer of Accrued Sick Leave.

A. A leave eligible member in the bargaining unit who becomes covered by the provisions of this Article and who has accrued sick leave shall have fifty percent (50%) of that sick leave transferred to the employee's personal leave account and fifty percent (50%) of that sick leave transferred to a medical leave bank. Banked medical leave may be used in accord with Article

26.04.B. Banked medical leave may be used in the event of illness or injury of the member or the member's family and in accordance with Article 26.04.A and B.

1. Except as otherwise provided in this Article, upon separation from State service, a maximum forty-five (45) hours in an employee's medical leave bank shall be transferred to a Union Catastrophic Medical Leave Bank.
 2. Union catastrophic medical leave requests will be submitted by the Union to the Director of the Division of Personnel and Labor Relations, or designee, within two business days after the end of the pay period for which the leave is requested. The request for a withdrawal from the bank will clearly identify the amount of hours of leave to be donated to the employee.

Union catastrophic medical leave will be used only to the extent that the employee's available annual/sick, personal, emergency, banked medical and donated leave is less than ~~four~~ two (4~~2~~) hours

on the first working day of the pay period, and will only be used to bring the total leave available up to ~~seven and one half~~ four (4~~7.5~~) hours.

If the State does not receive a request for Union catastrophic medical leave within two business days after the last day of the pay period, the State will process personal, annual, sick, banked medical or donated leave in accordance with the collective bargaining agreement. If no leave is available to the employee, the employee will default to leave without pay.

Leave will not be processed retroactively for periods of leave without pay.

26.04 Utilization and Disposal.

- A. Personal leave shall be used for any and all purposes for which sick and/or annual leave have heretofore been used. This includes medical or dental appointments, and illness or injury of the member or the member's immediate family as defined in 2 AAC 08.999.

Member requests shall be given full consideration and, to the extent practicable, approved. However, the parties agree that the final decision with regard to approval or disapproval of any request will be based on the supervisor's evaluation of the needs of the job. In an absence due to illness or injury, the supervisor may require a physician's certificate. Members will not be required to provide a physician's certificate for illnesses of less than three (3) days unless improper use is suspected.
- C. At least seventy-five (75) hours of personal leave must be used each full leave year except that members exempted from 26.01.D of this Article must use one hundred twelve and one-half (112:30) hours each full leave year. Part-time members shall have the mandatory leave requirement prorated based upon the number of hours the member is regularly scheduled to work.
- D. If the member fails to use the mandatory leave required in C, in any full leave year, the member shall be entitled to payment for the unused portion. This payment shall be at the member's annualized hourly rate and shall be included in the first (1st) regular payroll following pay period that begins in the new leave year, the close of the leave year. The period of time for which payment is made will be deducted from the member's personal leave balance. It is understood that, should the member fail to schedule the mandatory leave hours, the Employer may direct that the member take the personal leave at anytime to satisfy the requirement.

Members who separate from State service for any reason including layoff shall receive within seven (7) days a lump sum payment for accrued personal leave in accordance with statutory provisions in effect on the date of separation, less any deduction to reimburse the Employer for stolen, lost, damaged, or unreturned State property.
- B. Members who go on personal leave and subsequently give notice of resignation, or who do not return to work, will be considered to have separated on the last day worked. No additional leave will accrue after the last day worked.

26.07 Leave Cash-In

Bargaining unit members having in excess of thirty-seven and one-half (37:30) hours of personal leave shall, upon written request to the Employer, receive payment for accrued but unused personal leave, subject to the following limitations:

- 1. Under no circumstances may a member request or receive a leave cash-in that would reduce the employee's accrued personal leave balance below thirty-seven and one-half (37:30) hours.
- 2. Payment will be made no later than one (1) pay period following the pay period in which the request was made.
- 3. Leave cashed in under this Section can only reduce the mandatory leave requirement in section 26.04 of this Article by thirty-seven and one-half (37:30) hours of the requirement.
- 4. Employees will be limited to no more than six (6) leave cash-in requests per calendar year.

The bargaining unit member's leave balance will be reduced by the amount of leave transferred to the Bank.

- B. Leave assessments from new bargaining unit members to the unit and donated personal leave will be converted to its dollar value at the rate of pay of the bargaining unit member from whom the leave was received. Those dollars (with benefit costs) shall be placed in the Union Business Leave Bank. When business leave is used in accordance with the other provisions of this Section, dollars will be withdrawn from the Union Business Leave Bank equal to the hourly rate (with benefit costs) of the bargaining unit member utilizing the leave times the hours of leave taken.
- C. 1. Withdrawal requests from the Bank will be for purposes of compensation of bargaining unit members for absences due to contract negotiations and formulation, meetings, conventions, training sponsored by the Union, attendance at arbitration or other hearings as witnesses for the Union, and other like purposes as may be determined by the Union. Requests for withdrawals from the Bank shall be made only by the Executive Director of the Union or such other person as designated by the Union to the appropriate Departmental Officer with a copy to the Director of the Division of Personnel and Labor Relations on forms mutually agreed to by the parties. The original leave slip shall be presented to the Union by the bargaining unit member and must accompany all requests for withdrawal from the Bank. 2. In instances of contract negotiations and other highly critical matters of long duration, the Employer agrees that every reasonable effort will be made to release bargaining unit members from their duties; however, the parties recognize that a situation may develop such that a bargaining unit member may not reasonably be released.

- E. 4. If an emergency leave request is not received within five calendar (5) days after the end of the pay period in which it occurred, the State will deduct accrued leave from the member's bank/s. If the Union submits an emergency leave request within thirty (30) calendar days of the end of the pay period in which the leave occurred, the State will process the emergency leave requests and reinstate an equal amount to the employee's annual/personal leave bank. However, no other retroactive adjustments will be made, including but not limited to: leave accruals, merit anniversary dates, and health insurance. ARTICLE 31 - State Owned/Controlled Housing

The parties agree that the following is the rental schedule for bargaining unit members living in State-owned or State-controlled housing.

31.01 Factors To Be Used In Determining Rent.

A. Dwelling Units. The following factors are to be used in the rental formula for assessing rental charges for State housing units:

1. Rental Base: The typical rent for an unfurnished unit in Anchorage with a particular number of bedrooms.
2. Facility Condition: The index of facility condition in terms of "Good," "Fair," or "Poor."
3. Adjusted Rent: The figure derived from application of the facility condition index to the rental base. The adjusted rent figure will be used for the calculation of the amenities lacking and the imposition-on-privacy deductions.
4. Required-to-Live: A deduction of 25 percent allowed for protection of property or for the convenience of the State where applicable.
5. Imposition-on-Privacy: A deduction of 10 percent of the adjusted rent allowed for the use of a portion of the facility for State business if applicable.
6. Amenities Lacking: Percentage of the adjusted rent to be deducted due to lack of fire and/or police protection.
7. Geographic Differential: The coefficient used to adjust an Anchorage-based rent to a level appropriate for a specific location outside of Anchorage. See Section 9 for list of coefficients by election district.
8. Travel Allowance: Deduction allowed for locations involving unusual transportation costs.

31.02 Rental Formula.

The rental formula is as follows:

$$[[[(RB \times CI) - (AL + IP)) \text{ GDF}] - TA] \text{ RTL}] + UC = \text{FCR}$$

Or Calculated FCR is:

$$\begin{array}{l} \text{RB} \\ \times \text{CI} \\ \hline \text{Subtotal 1} \end{array}$$

$$\begin{array}{l} \text{Subtotal 1} \\ - (\text{Subtotal 1} \times \text{AL}) + (\text{Subtotal 1} \times \text{IP}) \\ \hline \text{Subtotal 2} \end{array}$$

Subtotal 2
xGDF
 Subtotal 3

Subtotal 3
-TA
 Subtotal 4

Subtotal 4
xRTL
 Subtotal 5

Subtotal 5
+UC
 FCR

GDF is the geographical differential factor for a particular location.

CI is the facility index:

- 1.0 = Good
- 0.8 = Fair
- 0.6 = Poor

RB is the typical rental base for an unfurnished unit in Anchorage with a particular number of bedrooms.

RTL is the reduction for required-to-live; when used in the formula the RTL equals .75.

AL is the deduction for amenities lacking.

IP is the deduction for imposition-on-privacy.

TA is the allowance for excessive travel.

UC is the utility charge for all units except bunkhouses.

FCR is the formula calculated rent.

and:

Amount of rent to be paid will be the lesser of the following:

- A. Twenty-five percent of employee's gross income (standby and overtime compensation excluded) as an employee of the State of Alaska; or
- B. "FCR" resulting from exercise of formula.

31.03 Rental Base Schedule.

Bargaining Unit members living in State-owned or State controlled housing on or before June 30, 2013, shall continue to pay rent at their current rate in effect on June 30, 2013.

Bargaining Unit members hired on or after July 1, 2013, will pay the following rates:

ALL TYPES OF STRUCTURES	NUMBER OF BEDROOMS			
	0	1	2	3 or more
RATES	\$726	\$826	\$1036	\$1492

Rental Base Unit Notes:

- A. Units are assumed to be unfurnished. All units are to include one (1) refrigerator, one (1) stove, one (1) washer, one (1) dryer and window coverings.
- B. Units are assumed to be in "Good" condition. A lesser condition will be compensated for by application of the "condition index."

31.04 Facility Condition.

State housing units are classified into the following three (3) condition categories:

- A. "Good" - wear and tear may be evident and/or is in need of minor repairs; insulation for winter use is adequate or heating plant capacity is able to compensate for inadequate insulation; water is reliable, adequate and safe for household use; reliable and adequate electrical service; reliable and adequate fuel available for heating, hot water and cooking needs.
- B. "Fair" - wear and tear is evident and/or unit is in need of significant repair; insulation for winter use is adequate or heating plant capacity is able to compensate for inadequate insulation.
- C. "Poor" - unit is marginally habitable and is in serious need of repair or insulation for winter use is less than adequate. The heating plant is not able to compensate for lack of insulation.

31.05 Required To Live.

In cases where the Commissioner of a department requests and the Commissioner of the Department of Administration approves an employee to occupy a State-owned or State-controlled facility for either the protection of State property or for the convenience of the State, a deduction of 25 percent is allowable. In no case will the total deductions reduce the rental base more than 50 percent.

31.06 Imposition On Privacy.

In cases where the head of a department requests the use of a portion of the facility for the purpose of accommodating official visitors, for use as office space, or for the general convenience of the public, a deduction of 10 percent of the adjusted rent is allowable. Only one (1) deduction is allowed per agency per location. In no case will the total deductions reduce the rental base more than 50 percent.

31.07 Amenities Lacking.

A deduction from the adjusted rent equal to 2 percent will be allowed for lack of fire and/or police protection up to a maximum of 4 percent for the unit in question. In no case will the total deductions reduce the rental base more than 50 percent.

31.08 Travel Allowance.

In some cases the State supplies quarters to its employees in locations where minimal community services are available only at some distance from the location of the quarters. In this situation the Department of Administration will grant a deduction from the chart listed below, to offset the direct economic effects of the unusual transportation costs incurred. The nearest established community as defined in this section is to be used as the base community for calculating the deduction. A community must be deficient in more than one (1) of the listed

services if a town farther away is to be selected as the base for calculating the distance deduction.

Distance in miles, one (1) way for surface travel or air travel if surface travel not available	Maximum monthly deduction
Less than 10 miles	No deduction
10 but less than 20	\$15.00
20 but less than 30	25.00
30 but less than 40	35.00
40 but less than 50	45.00
50 but less than 60	55.00
60 but less than 70	65.00
70 but less than 90	80.00
90 but less than 110	95.00
110 and more miles	110.00

For purposes of calculating a deduction under this Section, an established community is a population center offering the minimal community services listed below on a year-round basis, or alternatively, approximately the same seasonal basis as the occupancy of the State rental quarters under consideration. Conformity with this definition, without regard to population size or other criteria is the sole basis for identification of an established community.

<u>SERVICES</u>	<u>MINIMUM</u>
Medical	Physician, one (1) dentist
Educational	Public elementary and high school (unless transportation is provided without charge, to a borough, or district school)
Shopping	Grocery, drugs, clothing, hardware and general household needs
Religious	Congregation of two (2) faiths, or denominations
Public Transportation	Connection with at least one (1) major town or city by Common carriers (i.e., trucking, airport, bus)

In no case will total deductions reduce the rental base more than 50 percent.

31.09 Geographic Differential Factors.

Note: These ratios are derived from AS 39.27.020 and will be adjusted as required in accord with Article 21.03.

31.10 Utility Charge.

The utility charge will be two hundred and fifty dollars (\$250.00) per month for all units.

31.11 Mobile Home Pad Rental Rates.

The rental rate for mobile home pads will be fixed at one hundred and seventy-five dollars (\$175.00) a month and is not subject to reduction or increase by geographic differential.

31.12 Damage Deposit.

A damage deposit equal to the first month's rent is required for each unit. This deposit is refundable in full or part based on the condition of the unit, allowing for reasonable wear and tear, at the time of final inspection.

31.13 Clean-Up Deposit/Mobile Home Pads Only.

A clean-up deposit of two hundred and fifty dollars (\$250.00) for each mobile home pad is required for utility disconnect and pad clean-up. This deposit is refundable if upon inspection the pad is found to be clean and free of debris.

31.14 Payroll Deductions/Disputed Amounts.

Rent and utilities will preferably be paid by payroll deduction. If a dispute between the State and an employee develops concerning the unit's condition as provided for in Landlord-Tenant Act, payment will continue and the State agrees to establish a separate account into which monthly rent will be deposited until the dispute is resolved. When a settlement is reached the disputed funds will be disbursed appropriately.

31.15 Bunkhouse Rental Rates.

The standard bunkhouse room rental rate shall be one hundred and five dollars (\$105.00) a month for each occupant.

There will be no charge for utilities to bunkhouse residents. All bunkhouse units will be furnished. No damage deposit will be required of bunkhouse residents.

31.16 Pet Limitation.

Employee occupants who own pets will ensure that their pets are not nuisances and do not create unsanitary conditions in/around quarters. All pets must be leashed or otherwise under direct control of their owners while on State-owned or State-controlled premises. The number of pets shall be limited to two (2). Ownership of kennels, dog teams, livestock, horses and other exotic pets is prohibited on State-owned or State-controlled premises. A bargaining unit member shall have the right to examine his/her official personnel files, including the supervisor's working file and departmental personnel file. The location of all files containing personnel records shall be made known to a bargaining unit member or Union Representative upon request.

Reasonable requests for copies of material contained in personnel files will be honored. The parties recognize it may become necessary to charge for copies provided beyond one (1) copy of each document during any twelve (12) month period at the rate of ten cents (\$.10) per page.

34.02 Union Review.

Union Representatives may examine a bargaining unit member's official personnel file, including the supervisor's working file and the departmental personnel file, upon submission to the Employer of the bargaining unit member's written permission to do so. The Employer shall make available electronic original or copies of the original records. If this is not feasible, or if release of the records is prohibited by law or regulation, the records will be made available for examination by the Union Representative at the place where the records are kept.

34.03 Secret Files.

No secret files shall be kept on any bargaining unit member.

34.04 Confidential Information.

- A. The Union agrees that all nonpublic personnel information (per AS 39.25.080) provided to them by the Employer shall be used only for purposes related to the execution of the Agreement; and that the Union shall be responsible for the protection and security of information provided.
- B. The Employer may conduct confidential investigations into alleged misconduct by bargaining unit members.

34.05 Subpoenaed Records.

If a court of competent jurisdiction subpoenas a bargaining unit member's official personnel record in conjunction with a lawsuit in which the Employer believes the bargaining unit member's conduct was within the scope of his or her authority and did not constitute willful misconduct or gross negligence as outlined in Article 36, the Employer agrees to make a good-faith effort to notify the bargaining unit member, unless prohibited by law.

ARTICLE 35 - Educational Advancement and Training

- A. Bargaining Unit Member Initiated Requests.
1. Reimbursement for all or part of costs incurred for career improvement training or education, including professional seminars, conferences, speaking engagements and other professional development opportunities, may be obtained, provided it is job related, as prior written approval of the Employer, and the Employer determines that fiscal resources are available.
 2. Career improvement training or education of ten (10) working days or less duration shall normally be at no loss of annual/personal leave or pay. Courses extending more than ten (10) working days are subject to cooperative Employer-bargaining unit member financial and leave arrangements, which may include the retention of accrued leave when approved by the Employer.
 3. The Employer's prior written approval is required and shall specify the reimbursement and leave terms and amounts.
- B. The Employer agrees that, when practicable, it will develop "in-house" training and encourage on-the-job training and cross-training. Assignment of such training opportunities will be made as equitably as possible within fiscal and staff limitations.
- C. The Employer agrees to designate a resource person in each department or division who shall be available for contacts regarding current job training opportunities. The Union shall be provided with a list of those designated as resource persons. The department or division resource person is encouraged to use email, bulletin boards and flyers for the broadest dissemination of training opportunities.
- D. In order to encourage bargaining unit members to seek additional education and/or specialized training, the Employer agrees that when operationally practicable the Employer will continue to make necessary adjustments to the member's work schedules to permit attendance for educational pursuits, or to pursue recurring licensing/certification requirements of their job classification.
- E. Requests for leave without pay for educational pursuits may be made according to the provisions of Article 25.07 or 26.14.
- F. The parties recognize that some work assignments may represent training and enhance advancement opportunities. The parties agree that such work assignments will be based on the needs of the Employer and made in a manner that provides opportunities to bargaining unit members based on merit.

ARTICLE 36 - Legal Indemnification

- A. For purposes of this Article, "Employer" means the State of Alaska or designated representative of the State or an agency of the State. If the Employer determines that a bargaining unit member did not engage in conduct beyond the scope of the bargaining unit member's authority or which constituted willful misconduct or gross negligence in the performance of the bargaining unit member's duties, upon request the Employer agrees to provide for the legal defense of the bargaining unit member in any civil legal action brought against the bargaining unit member as a result of the performance of the bargaining unit member's duties.
- B. The bargaining unit member must request in writing that the Employer provide the legal defense services available under this Article within five (5) working days of service of summons and complaint on the bargaining unit member. The summons and complaint shall accompany the request. The postmark on the bargaining unit member's request shall be accepted as the date of request by the Employer. Failure to submit a written request within the required five (5) working days relieves the Employer of any obligation under this Article.
- C. The Employer shall have the right to determine which attorney shall represent the bargaining unit member. If the bargaining unit member objects to the attorney provided by the Employer, the bargaining unit member may request that the Employer appoint another attorney. The bargaining unit member may make only one (1) such request.
- D. If the Employer determines that the bargaining unit member did not engage in conduct beyond the scope of the bargaining unit member's authority or which constituted willful misconduct or gross negligence, the Employer agrees to compensate the bargaining unit member at the bargaining unit member's normal rate of pay including per diem without loss of any benefits or seniority to the bargaining unit member; upon a reasonable showing by the bargaining unit member of need, an absence from work will be allowed to prepare the bargaining unit member's case for negotiation or trial. The Employer also agrees to pay any judgment rendered against the bargaining unit member if the Employer has provided legal services to the bargaining unit member pursuant to this Article.
- E. The Employer may undertake the defense of a bargaining unit member pursuant to this Article with reservation. If the Employer has provided legal services under reservation, the obligation to pay a judgment against the bargaining unit member is not operative until final determination is made by the Employer of the bargaining unit member's eligibility for legal services under this Article. If the Employer has undertaken the defense of a bargaining unit member with reservation, and if a court of competent jurisdiction deems that the bargaining unit member acted beyond the scope of the bargaining unit member's authority or with willful misconduct or gross negligence, then the Employer has no liability whatsoever to the bargaining unit member or any other person as a result of such determination. In such cases as this, the judgment, costs and fees will be borne by the bargaining unit member as in any other instance where the court determines that the bargaining unit member acted beyond the scope of the bargaining unit member's authority or with willful misconduct or gross negligence.
- F. Consistent with past practice, decisions of the Employer pursuant to this Article shall not be subject to the grievance-arbitration procedures.

ARTICLE 37 - Conclusion of Collective Bargaining

- A. This Agreement is the entire agreement between the Employer and the Union. The parties acknowledge that they have fully bargained with respect to all terms and conditions of employment and have settled them for the duration of this Agreement. This Agreement terminates all prior Agreements and understandings either verbal or in writing except as provided at B below, and concludes collective bargaining for the duration of this Agreement.
- B. Letters of Agreement or other contract modifications in effect at the time of signing of this agreement shall remain in effect for the duration of this Agreement unless cancelled under their own terms or by mutual agreement.
- C. Prior to enacting any change in the terms and conditions of employment as established by a specific provision of this Agreement, the Commissioner of the Department of Administration shall obtain the agreement of the Union in the form of a Letter of Understanding or Agreement. Prior to enacting any change in any mandatory subject of bargaining which is not established by a specific provision of this Agreement and which was not a subject of a negotiations proposal, the Union shall be notified in advance of the proposed change thereby enabling them to negotiate on that change.
